INFORMATION FOR CANDIDATES.

THE ANNUAL EXAMINATION for Cadetships in the Royal Military College will take place at the Headquarters of the several Military Districts in which candidates reside, in June, 1896. Intending candidates who have matriculated in Arts, within 12 months previous to the Examination, in any one of the following Universities, viz.: Toronto, McGill, Queen's, Laval, New Brunswick and Dalhousie, will be exempted from passing the Obligatory or preliminary examination.

In addition to the facilities the College affords for an education in Military Subjects, the course of instruction is such as to afford a thoroughly practical, scientific and sound training in all departments which are essential to a high and general modern education.

The Civil Engineering Course is complete and thorough in all branches. Architecture forms a separate subject.

The Course of Physics and Chemistry is such as to lead towards Electrical Engineering, Meteorological Service, and other departments of applied science.

The Obligatory Course of Surveying includes what is laid down as necessary for the profession of Dominion Land Surveyor. The Voluntary Course comprises the higher subjects required for the degree of Dominion Topographical Surveyor. Hydrographic Surveying is also taught.

Length of Course four years.

Four Commissions in the Imperial Regular Army are awarded annually.

Board and instruction \$200, for each term, consisting of ten months' residence.

For further information apply to the Adjutant-General of Militia, Ottawa, before 15th May. Department of Militia and Defence, 1895.
