

PARAGRAPHIC.

PURELY VEGETABLE.

First the bud, then the blossom, then the perfect fruit. These are the several stages of some of the most important ingredients composing of painless and sure corn cure—Putnam's PAINLESS CORN EXTRACTOR. The juices of plants greatly concentrated and purified, gums and balsams in harmonious union, all combined, give the grand results. Putnam's Extractor makes no sore spot, does not lay a man up for a week, but goes on quietly doing its work until a perfect cure results. Beware of acid substitutes.

Never excuse a wrong action by saying some one else does the same thing.

FOR STINGS OF INSECTS, Scorpions, Centipedes, and the Bites of Poisonous Insects.—Keep the parts wounded covered with a cloth well moistened with Perry Davis' Pain-Killer, till relieved. It is well to take the medicine internally also.

That charity which longs to publish itself, ceases to be charity.—Hutton.

If there is anything in this life that will give one a foretaste of hell, as some represent it, that thing is Neuralgia. It is the refinement of torture. But there is a simple and inexpensive remedy for it. Johnson's Anodyne Liniment snuffed up into the head will give instant relief.

The best way to keep good acts in memory is to refresh them with new ones.—Cato.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites.—For Wasting Children.—Dr. S. W. Cohen, of Waco, Texas, says: "I have used your Emulsion in infantile wasting, with good results. It not only restores wasted tissue, but gives strength, and I heartily recommend it for diseases attended by atrophy."

In conversation confidence has a greater share than wit.

Pure rich blood gives us health, long life and a "green old age," but how few pay any attention to the state of their blood? Parson's Purgative Pills make new rich blood, and taken one a night for three months will change the blood in the entire system.

A terrible "tail" of the sea—The sea serpent's.

THE SMITH MEDICINE CO.

Gentlemen,—I have made a trial of one box of Dr. Smith's GREAT GERMAN WORM REMEDY, with such good effect that I have no hesitation in recommending it to the public as a prompt and reliable medicine. In fact, those who use it once will always do so. Yours truly, J. HARVEY, 172 Cadieux st. Montreal, Dec. 9th, 1881.

Everybody's Air-Brake.

"Yes, sah," said Uncle Zach, "I see watched it forty years an' its as I see. De first of May an' Christ-mas day of de same year allers comes on de same week day."

Further conversation proved Uncle Zach a most incredulous person. Chancing to mention Dr. Carver's feat of breaking glass balls with a rifle, he said:

"I heerd 'bout dat shootin' and knowed right off it wasn't squar'; dat was a Yankee-trick, boss sho's you born."

"What was the trick?"

"Dar, wuz loadstone put in de glass balls, an' likewise onto de bullets; so when de bullet fly outen de gun, it an' de ball jes drawed ter-gedder, which, in course, brokes de glass—dat's de trick!"

Later, Uncle Zach observed a rope running along the side of the car.

"Boss, what's dat line fur?"

"To apply the air-brake in case of accident." Then we had further to explain how the force of the brake was obtained, to which Uncle Zach responded:

"Look 'a here boss, you sholy don't spect me to b'leve dat foolishness? Why, de biggest hurricane whatever blowed couldn't stop dis train, runnin' forty mile a hour. An' you think I gwine to b'leve a little pipe full of wind under de kyars can do it? No, sah-ree!"

There are a great many Uncle Zachs who judge everything simply by appearances. The air-brake does not seem to a very powerful thing, but power and efficiency are not necessarily equivalent to bigness and pretense.

Phillip Beers, Esq., who resides at the United States Hotel, New York city, and is engaged in raising subscriptions for the New York World Bartholdi pedestal fund, was once upbraided by a distinguished relative who was a physician, for commending in such enthusiastic terms, a remedy that cured him of bright's disease eight years ago. He said: "Sir, has the medical profession with all its power and experience of thousands of years, anything that can cure this terrible disorder?" No, no, that is true, there is no mistake about it but that Warner's safe cure is really a wonderfully effective preparation. That remedy is an "air-brake" that every man can apply and this fact explains why it has saved so many hundreds of thousands of lives.—Copyrighted. Used by permission of American Rural Home.

Puttner's Emulsion.

The unanimous voice of the druggists of Halifax:

We, the undersigned druggists, take pleasure in certifying that we have sold Puttner's Emulsion of Cod Liver Oil, &c., for a number of years, and know it to be one of the oldest as well as (especially of late) one of the most reliable preparations in the market for the cure of consumption, bronchitis, asthma, coughs, and all lung diseases. The sale of it (Puttner's Emulsion) is steadily increasing, and is larger than for all other preparations of the kind in the market combined. We know of no article that gives greater satisfaction to those who use it, and we do not hesitate to recommend it.
