

A CARNIVAL WEEK INCIDENT.

Mrs. Morriel (to her guests from Baltimore).—Why, surely you've never been out without your wraps? Remember, you're in Canada now.

Mr. Hot-blud.—It was pure absent-mindedness; we should'n't have done it for the world otherwise, though I must confess we never knew the difference.

Check Books.

Few of the Retail Merchants of Canada require any argument to prove to them that Counter Check Books are necessary to the proper carrying on of any business. The Storekeeper who does not acknowledge this, and sticks to the old methods of recording sales, gives himself much unnecessary labor, and is probably

LOSING MONEY EVERY DAY

through not having this department of his business properly systemized.

We have the **ONLY MACHINERY IN CANADA** ADAPTED TO THIS CLASS OF WORK.

And we hold the exclusive patent in Canada for the manufacture and sale of the best style of Check Books on the market. Infringements, in either manufacture or purchase, will be prosecuted.
