A new way of collecting a bad debt was most effectively tried a few weeks ago, in the Rue de la Seine, in Paris, before the lodgings of a somewhat dissipated student. A man was observed walking up and down before the house, having opon his back a placard, with the words, "Monsieure O- owes me for thirty bottles of vin rouge-I am waiting until he pays for them."

Secretary.

THE Directors of this Company are happy to call the attention of their fellow-citizens to the fact, that persons whose properties have been insured mutually, since its Establishment in October, 1859, have saved large sums of money, having generally paid one half only of what they would have paid to other Companies during the same time, as it is proved by the Table published by the Company, and to which it is referred. Therefore, it is with confidence that they invite their friends and the public generally to join them, and to call at the Office, No. 2 St. Sacrament Street, where useful information shall be cheerfully given to every one. READ WHO SAYS SO: From the HON. THOMAS B. FLORENCE.

From the HON. THOMAS B. FLORENCE. Rrom the HON. THOMAS B. FLORENCE. Washington, Jan. 1st, 1864. Gentlemen-Having stated it verbally to you, I

have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be.—Truly your friend,
THOMAS B. FLORENCE.

From the Rev Thos. Winter, D D, Pastor of Roxborongh Baptist Church.

Dr. Jackson-Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system very five years, to Policies then two entire years in | I was advised by a friend to try a bottle of your Ger. man Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects .-Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutztown, Berks Connty, Pa.

Dr. C. Jackson-Respected Sir : I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very fluch improved in health, after having taken five bottles .- Yours, with

J. S. HERMAN.

From Julius Lee, Esq, firm of Lee & Walker, the most extensive Music Publishers in the United States,

No. 722 Chesnut street, Philadelphia: February 8th, 1864. Messrs, Jones & Evans-Gentlemen-My motherin-law has been so greatly benefitted by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unbesitatingly recommend it to all who are suffering from dyspensis. I have had that disease in its most obstinate form-flatulency-for many years, and your Bitters has given me case when everything else had

failed, - Yours truly,

JULIUS LEE.

From the Hon. JACOB BROOM:

Philadelphia, Oct. 7th, 1863. Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance, a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one battle gave decided relief, the seconding effecting a cure, and the third, it seems, has confirmed the cure. for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours,

JACOB BROOM, 1707 Spruce Street.

"THE LAMP,"

New and Improved Series, in Weekly Numbers, price ld. In Monthly parts, price 6d. The Lampin

It is little more than two years ago since the New Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper. We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorised to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfinitful, and the approval of his Eminence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Catholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got-up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the under-taking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality—the success of the Catholic Magazine would be assured. It is their immense circulation, and the support they obtain from their respenective political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty Principal Office and Manufactory-No. 631 AROH riority.

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day.
