There was recently a duel at Napoleon Arkansas between a doctor and a toilor in which the doctor shot the tailor in the leg, and the tailor, shot the doctor through the lower extremity of the coat .-They were made friends on the ground - the doctor agreeing to drees the tailor's leg; the tailor to mend the doctor's coat tail.

Why don't you buy a thingumbob, and what do you-call-it, to sweep your side walk with every morning?' asked one neighbour of another. ' Because I hain't got no what's its name to buy it with, replied the neighbour.

A wager was laid on the Yankee peculiarity of answering one question by asking another. To decide the bet, a down-easter was interrogated. 'I want you,' said the better, 'to give me a straight-

forward answer to a plain question. I kin du it, mister,' said the Yankee.

Then why is it New Englanders always answer a question by asking one in return ?" 'Du they ?' was Jonathan's reply.

Scott says that the most disagreeable of all things is a vain, cold, empty, beautiful woman, who has neither mind nor heart, but only features like a doll. Pygmaluon is not the only person who ever fell in love with his own handiwork.

BEISTOL'S SUGAR COATED PILLS .- No family cathartic has ever deserved or received the praise which has been awarded to BRISTOL'S SUGAR. GOATED PILLS, both by physicians and patients. The testimonials to their efficacy and entire freedom from all objectionable properties are from the very highest and most cautious medical authorities .-Their great merit, seconding to these witnesses, is that they not only cleanse the stomach and bowels, butobviate the necessity for continual purgation In other words, they give a tone and permanent vigor to those organs, which enable them to fulfil their functions naturally, without being urged to their do not reduce the general strength, as all mineral purgatives do, nor involve pain nor nauses in their operation. Hence they are invaluable for women, children, and aged persons 434

They are gut up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

A PREFUME AND A COSMETIC .- The surpassing Bromatic excellence of MURRAY & LANMAN'S FLORIDA WATER has caused its qualities, as a cosmetic, to be partially overlooked. It is not only the most refreshing and delightful of perfumes, but as a superficial application for the removal of blemishes on the skin, it is unsurpassed. In tropical climates, where the excessive heat causes annoying eruptions, and every sunbeam carries freckles, tar, and sunburn in its train, this soothing toilet water is found exceedingly useful for cosmetic purposes. Its delicious fragrance is also a complete antidote to nervous headache and faintness.

IF Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine,

WHO IS MRS. WINSLOW?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained, in a lifetime spent as Lurse and physician, she has compounded a Soothing Syrup, for children teething It operates like magic-giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world renowned as a benefactor of her race; children certaiuly do rise up and bless hor; cspecially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its banefits, and unite in calling her blessed No mother has discharged her duty to her suffering little one, in our opicion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. SALT RHEUM CURED! Sherbrooke, C.E., June 20, 1864.

S. J. Foss, Esq., Druggist :

Dear Sir .- For the benefit of those who may be suffering from the same disease, I wish to make known 1.10 great benefit I have received from the use of BRISTOL'S SARSAPARILLA. For a long time I have been troubled with a sort of breaking out on my legs and arms, which some called salt rheum. and some a scrofulous humor. Whatever it was, the torture from it was so great that I could not remain quiet. I tried a great many medicines, but ali without benefit, until I was induced to try BRIS-TOL'S SARSAPARILLA, from the use of which I found immediate relief; and now, after using only four bottles, I find myself to all appearance entirely cured.

Yours very truly,
