WHAT IS YOUR AILMENT?—A hundred varieties of disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restores that organ to its full vigor, is the true remedy. If common sense demands what that remedy is, experience answers, BRISTOL'S SUGAR-COATED PILLS. Cathartics are plenty, but nine-tenths of them give only temporary relief, and many are dangerous. It is better to let dyspepsia have its way, than to attempt to cure with mercury. The so-called remedy will destroy the patient more rapidly than the disease. Not so BRISTOL'S SUGAR-COATED PILLS, which owe their efficacy solely to vegetable extracts. If the liver is wrong, they put it right; if the bowels are clogged with obstructions, they remove them; if the stomach is incapable of perfect digestion, they impart to it the required tone and vivacity.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARPAPARILLA should be used in connection with the Pills.

J. F. Henry & Co. Montreal, General Agents for Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

MURRAY & LANMAN'S FLORIDA WATER.—Ladies being the 'precious porcelain of human clay,' are entitled to all the elegant luxuries which art, stimulated by gallantry, can devise. Among those which pertain to the toilet, there is none that surpasses the one named at the head of this paragraph. Delicately fragrant a beautifier of the complexion, excellent intermixed with water, as a mouth wash, and as a cure for nervousness, faintness, and hysteria, it deserves a place in the *Materia Medica*, as well as in the repertoire of the Toilet.

Beware of Counterfeits; always ask for the legitimate MURRAY & LANMAN'S FLORIDA WATER prepared only by Lanman & Kemp, New York. All others are worthless.

Agents for Montreal—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

## FROM A LADY.

New York, Dec. 3, 1863.

Gentlemen,—The object of the present letter is to present to you my heartfelt thanks for the good that your BRISTOL'S SARPAPARILLA has done me.—For over six months I had been suffering with a Rheumatism that seemed to extend over my whole body, and which from the tortures I endured, had reduced me almost to a skeleton. I could not move either my arms or legs, and had to get assistance to enable me to do the smallest household duty.

Taking your advice, I began the use of your Bristol's Sarpaparilla. I was so weak that the smallest dose of it seemed to agitate me very much, but I persevered, and later I could increase the size of the dose. My pains all ceased little by little, and after using eight bottles I am about entirely cured. Now I can perform my household duties without assistance, and I cannot too highly recommend your excellent preparation to all those who suffer with Rheumatism.

I am, gentlemen, respectfully yours,  
FELICITE GREHEN.

Any person who may wish to inquire into the above extraordinary cure, are referred to Doctor Picault, Nos. 60, 62, and 64 Notre Dame Street, Montreal, who is familiar with the facts, and can testify to the truth of every statement.

Agents for Montreal—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, H. R. Gray, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

A PUBLIC BENEFIT.—Nothing can be of more importance to the welfare of our community, than the health of our children; on this depends the future of our national greatness, and in a large measure, the enjoyment of our own lives. We therefore claim, that in Devins' Vegetable Worm Pastilles, we have a great public benefit, a remedy so safe, so reliable, and so agreeable, which gives health and strength to the weak and sickly child, brightness to the eye, bloom to the complexion, and plumpness to the form. But parents should be careful to procure the genuine Pastille on each one of which is stamped the word "Devins," all others are useless.

Prepared only by Devins & Bolton, Chemists, Montreal.

## A DOWN TOWN MERCHANT,

Having passed several sleepless nights, disturbed by the agonies and cries of a suffering child, and becoming convinced that Mrs. Winslow's Soothing Syrup was just the article needed, procured a supply for the child. On reaching home, and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homeopathy. That night the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse; and while contemplating another sleepless night the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said nothing. That night a sleep well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change and although at first offended at the deception practised upon her, has continued to use the Syrup, and suffering, crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby, and overcome the prejudices of the mother. 25 cents a bottle. Sold by all Druggists.

Be sure and call for

All others are base and dangerous imitations.

## Ayer's Sarsaparilla,

## FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are of a truly marvellous character. In numerous cases of Scrophulous, where the system seemed utterly given up to corruption, have yielded to this compound of antiscrophulous virtues. Disorders of a scrophulous type, and affections which are merely aggravated by the presence of scrophulous matter, stand in every settlement in the country, that it is in most cases a specific and absolute remedy.

Scrophulous poison is one of the most destructive enemies of our race. It attacks the system and undermines the constitution, and invites the attack of endemical or fatal diseases, without exciting a suspicion of its presence. Again, it seems to brood infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its heinous forms, either on the surface or among the vitals. In the latter, it is especially dangerous, and the danger is not only to the individual, but to the community. It is a common error, that scrophulous matter is a matter of the blood, and that it is only by purifying the blood, that it can be removed. It is, in fact, a matter of the system, and it is only by purifying the system, that it can be removed. It is a common error, that scrophulous matter is a matter of the blood, and that it is only by purifying the blood, that it can be removed. It is, in fact, a matter of the system, and it is only by purifying the system, that it can be removed.

It is a mistake to suppose that so long as no eruptions of humors appear, there is no scrophulous matter in the system. The most dangerous scrophulous matter is that which is hidden in the system, and which is only revealed by its attacks on the system. It is a common error, that scrophulous matter is a matter of the blood, and that it is only by purifying the blood, that it can be removed. It is, in fact, a matter of the system, and it is only by purifying the system, that it can be removed.

In St. Anthony's Fire, Ring or Trinitrochloride, for Tetters, Salt Rheum, Scald Head, Ringworm, Scars and Ulcers, and other eruptions or visible forms of the disease, are cured primarily by the scrophulous poison, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Heart Disease, Piles, Epilepsy, Scrophulous, and other affections of the muscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces a lasting cure.

The Sarsaparilla root of the tropics does not by itself achieve these results. It is only by the extract combined with it, of still greater power. So potent is this union of healing virtues, Scrophulous or Venereal and Mercerial Diseases are cured by it, though a long time is required for annihilating these obstinate maladies by any medicine. Leucorrhoea or Whites, Chloric Ulcerations, and Venereal Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of our Sarsaparilla. It is a common error, that scrophulous matter is a matter of the blood, and that it is only by purifying the blood, that it can be removed. It is, in fact, a matter of the system, and it is only by purifying the system, that it can be removed.

This medicine restores health and vigor where no specific disease can be distinguished. It is a restorative power, is soon felt by the system, and is a common error, that scrophulous matter is a matter of the blood, and that it is only by purifying the blood, that it can be removed. It is, in fact, a matter of the system, and it is only by purifying the system, that it can be removed.

For Liver Complaints, arising from torpidity of the liver, it is an excellent remedy, stimulating the liver into healthy activity.
