T. C. BOVILLE, Deputy Minister of Finance.

The deposits record for the past five years for the month of May is given in the following table, compiled by The Monetary Times:—

May.	On de	emand.	After notice.	Total.
1911	\$298,	784,205	\$562,209,148	\$ 860,993,354
1912	376,0	53,217	625,294,344	1,002,247,501
1913	364,	59,642	630,755,603	994,915,245
1914	340,	748,488	663,945,753	1,004,694,241
1915	347,	346,869	691,891,287	1,039,238,156

Total deposits are \$35,000,000 greater than a year ago. Of that increase, demand deposits account for \$7,000,000 and after notice deposits, \$28,000,000. The month of May has

never previously in Canadian banking history, had to its credit such large total deposits.

The deductions which may be drawn from the May bank statement are that business generally in Canada is still quiet, with signs of improvement; that funds continue to accumulate rapidly; that the banks are in a very strong position and have confidence in the general situation; and that comparatively little legitimate business being available for bank loans in Canada, loans are being increased abroad. The banks are, however, making substantial loans to Canadian municipalities, these loans being 30 per cent. higher than they were a year ago.
