## Ideal War-time Policies

Combining Savings, Investment and Protection Features

It's a question whether there is a more completely satisfied class of men anywhere than those Mutual Life policyholders who are to-day receiving settlements under maturing endowment policies. Year by year they have laid by in premiums sum that would otherwise probably have been dissipated; and now they find that for every \$100.00 so invested, from \$125.00 to \$210.00 have been received, depending on the length of the endowment term. Meanwhile their homes have been protected for the face value of the policies. Thus endowments in the Mutual of Canada combine an easy savings system with a gilt-edged investment and perfect home protection.

## IT HAS BEEN SAID

that "wives sometimes object to Life Insurance—but widows never do!"

Life Insurance is the surest of investments—no possibility of loss. Either dependent ones or the Insured himself benefits. The Great-West Life Policies are issued at low rates—on liberal and clearly-worded conditions—returning profits that add the attractions of a good investment to the benefits of protection for dependent ones.
