MILLMEN in the Lake St. John district, Quebec, say they will get out about 300,000 saw logs this winter.

THE bone mill of Jack & Bell was burned to the ground at Halifax some days ago. It was insured for \$8,700.

THE Quebec Chronicle reports a sale last week of 65 shares La Banque Nationale at \$23 1/4 per \$30 shares, "which is considered a very good price."

BARON HAUSSMAN, who was made Prefect of the Seine in 1853 by Napoleon III., and who expended 50,000,000 francs in reconstructing the plan of the city of Paris, is dead at the age of 81.

A WELL known and wealthy lumberman of New Brunswick, Mr. S. T. King, died last week, aged 80 years, in Chicago, of paralysis. He was for a time business partner of Alexander Gibson, the millionaire lumberman.

AMONG the "Loose Change" of the New York Investigator we find the statement that Mr. Edward H. Goff denies the Sun's repeated insinuations that his much advertised American Export and Trading Company is a swindle.

THE secretary of the London Cheese Association, Mr. J. A. Nelles, in his summary of the stock of cheese in store and in factories west of Toronto, says the amount on January 1 was 66,761 boxes. A year ago it was 130,000 boxes.

DURING December the American market for pig lead declined steadily; the importation of a few thousand tons of European lead weakened the market in the first instance. But now the tide has turned, and last week, according to the Shipping List, there was in New York a sharp advance in pig lead, with sales in this market at 4.40 cents. This price has not only been well maintained, but difficulty is experienced in obtaining supplies at the figure.
