by catchy schemes and doubtful enterprises is surely short-lived. Misrepresentation and fraud backed up by untruth, is as surely the forerunner of failure.

The Spramotor Company have been the first to give the fruit-growers and manufacturers of Canada a strictly reliable machine for a variety of purposes, the latest of which is applying coal tar as a paint mixture.

It is a brass machine being so perfect in its mechanism that it will whitewash, disinfect, paint with almost any known mixture—as well as spray fruit trees.

It is the subject of more patents than exist on all other appliances together—and yet it is sold as low—or nearly as low—as any other sprayer in the market.

We will also sell you the chemical to use with the Spramotor, or you can get it from your dealer yourself. The only advantage we offer you in this is it is guaranteed strictly pure, and at the lowest possible price. Copyrighted Treatise free.

A FIGHT is being made on the railway companies' agreement to pay no commissions to ticket sellers. An anonymous notice has been sent out to ticket agents advising them to route all their business over one or two lines, till such times as other lines make concessions. The notice is believed to have been issued by scalpers or some weak-kneed road.

LAST September, two young men, named Klippert & Johnston, opened a furniture store in Rat Portage. About two months ago, the latter retired, and now Klippert's location is not known. Under these circumstances, the landlord took possession.—A small grocery was opened in Guelph by Fordyce Bros., in October, 1898, and as they did not give the business that attention it deserved, they now are obliged to assign.

THERE was a drought at Hartford, Ct., lately, and the engine in the river pump-house broke down. The Hartford Street Railway Company immediately loaned the city a 300-horse-power motor, connected it with its railway lines, and set it to work to drive the pumps. Ever since its installation, the company has been supplying current to operate it without cost to the city. This kindly act of the "soulless corporation," has certainly not diminished its popularity in its own town.

KERR & Co. bought the general stock of W. Graydon, of Grand Valley, a few years ago, at a discount of 25 per cent. The purchase amounted to \$4,000; on account of this \$1,200 was paid in cash. Being anxious to do a large business, he bought too many goods for his limited capital. Recently he called a meeting of creditors, and they granted him a discount of 40 per cent. for cash payment. He owed about \$8,000, and had nominal assets of \$6,500.
