

There's a good deal of guarantee business in the store keeping of to-day. It's too excessive. Or too reluctant. Half the time it means nothing. Words—only words.

This offer to refund the money, or to pay a reward, is made under the hope that you won't want your money back, and that you won't claim the reward. Of course.

So, whoever is honest in making it, and works—not on his own reputation alone, but through the local dealer whom you know, must have something he has faith in back of the guarantee. The business wouldn't stand a year without it.

What is lacking is confidence. Back of that, what is lacking is that clear honesty which is above the "average practice."

Dr. Pierce's medicines are guaranteed to accomplish what they are intended to do, and their makers give the money back if the result isn't apparent.

Doesn't it strike you that a medicine which the makers have so much confidence in, is the medicine for you?

CANADIAN INDIAN RESEARCH AND AID SOCIETY.

The Annual Meeting of the C. I. R. A. S. and the Indian Conference which were to have taken place in Toronto on May the 14th and 15th have been postponed till September next.

The local committee of arrangements met in Toronto on March 30th, and it was then decided that September being Exhibition month, and travelling rates consequently more reasonable, also Indians being better able to leave their farms at that time than in May, it would be a far better and more convenient time for holding both the Annual Meeting and the Conference.

Reddaway's Solid Woven "Patent" CAMEL-HAIR BELTING

Is as straight and as uniform in section and density as it is possible to make a belt. After working some time, the wearing faces of Camel Hair Belts obtain a smooth, finished appearance, and grip firmly; not fray on the edges; might be cut up the middle with a saw, and the two narrow belts so made set to work again; have but one joint, and being of uniform thickness throughout will run with remarkable truth, and do very heavy work; is the only satisfactory belt in wet places, in Dye Houses, Refineries, in steam, water, or great heat.

Breaking strain of 6 in. Camel Hair Belt is 14,181 lbs. Breaking strain of 6 in. Double Leather is 7,522 lbs.

We caution users against spurious makes of belting offered under deceptive names, intending to convey the idea that it is our Camel Hair Belting.

CAMEL HAIR BELTS are unexcelled for "Dynamo's," Saw Mills, Paper Mills, Pulp Mills, Dye Houses, Sugar Refineries, Cotton Mills, Woolen Mills, Machine Shops, Agricultural Machines, Pumping Machinery, and Main Driving generally.
