## TEACHERS. ATTENTION!

More teachers in Alberta change at Xmas than at any other time. That is the best time to secure a school. I want those teachers to write to me who will stand by any engagement they make; who do not desire the highest Western salary for their first term's remuneration, who will be sincere in their questions and definite in their replies. For such teachers I will secure good schools. Send your name at once to

## CANADIAN HISTORY READINGS.

There are copies enough left to fill orders, if you have not already secured the CANADIAN HISTORY LEAFLETS.

Do not delay. The Leaflets will prove a treasure for supplementary reading in Canadian History. There are twelve of them, containing each about 30 pages full of interesting things about Canada. They are really **GOLDEN AWAY**. To the teacher whose subscription to the Educational Review is paid one year in advance from this date, and who sends **ONE NEW NAME** with a paid up subscription for one year of one dollar, with fifteen cents for packing and postage, the entire set of 12 Leaflets will be sent.

Address: Educational Review,  
St. John, N. B.

"I find the REVIEW very interesting, and getting more interesting every month. Besides keeping the teachers in touch with the doings of our institutions of advanced learning, of our most important public schools, and the announcements of the Board of Education, it furnishes useful information, both theoretical and practical, in the actual work of teaching. The column, "School and College" has many souvenirs for me of school mates which serve to recall past pleasant experiences and familiar acquaintances. Nor is the page "Current Events" less valuable than the rest of your paper. After one is tired with the details of daily newspapers, a good analytic summary once a month of all leading events enter into the mind to stay."
