5. a) Lengths of Postings for SCYs

The PSAC representative expressed concern that no consultation had taken place prior to the release of a revised policy on the lengths of postings for SCYs, outlined in Circular Document Admin. No. 29/90 (ADA) dated, September 12, 1990. Management replied that consultations had taken place and referred to Circular Document Admin. No. 44/88 (ADA) of December 14, 1988 which both mentioned these consultations and indicated that a revised policy on lengths of postings for SCYs would be announced.

b) Miscellaneous

The PSAC representative informed Management that the Alliance is still seeking a meeting with Personnel Management to discuss several concerns relating to staffing and the Workforce Adjustment exercise. Management agreed to schedule a meeting with the Alliance after receipt of their concerns in writing. The Alliance agreed to submit a list of concerns as soon as possible.

c) Next Meeting

Scheduled for Wednesday, November 28, 1990.
