NOTE 1: In 1964/65 the actuarial liability contribution and interest credited to the actuarial account were not recorded as separate items, but were given as a total figure, and since interest is made up of two components, interest on current contributions as well as actuarial liability contributions, this total cannot be provided.

STEPS TO BYTOWN MUSEUM

Question No. 1,960—**Mr. Herbert:**

1. What was the original estimated cost of the project at the east side of the East Block where the Department of Indian Affairs and Northern Development is completing the construction of concrete and stone steps leading to the canal?
2. What is the present estimated cost of the completed project?
3. What was the cost per square foot of (a) labour (b) material for the formwork for the concrete in the project?
4. What is the cost for each type of stonework used and what is the square footage or volume of each?
5. Was the work put to public tender and, if not, for what reason?
6. Was the work discussed with the Minister or officials of the Department of Public Works?
7. For what reason was the work not executed by the Department of Public Works?
8. Was it necessary to engage personnel for the project and, if so, how many and for what period of time?
9. Who is the (a) architect (b) structural engineer for the project?
10. Has there been more than one project supervisor and, if so, how many?
11. Is all the land on which construction work is taking place within the responsibility of the Department of Indian Affairs and Northern Development and, if not, what agreement was reached for any work being executed on the property under the control of others?
12. (a) On what date did the work begin (b) on what date is it estimated that the work will be completed?
13. By province, how many construction personnel are employed by the Department of Indian Affairs and Northern Development?

Hon. James Hugh Faulkner (Minister of Indian Affairs and Northern Development): 1. The original estimated cost of the project was \$370,000.

Order Paper Questions

2. The present estimated cost of the project is \$410,000.
3. The work was tendered on a lump sum basis for the entire project and a breakdown of the actual cost of individual items is not available.
4. The cost of the stonework was included in the lump sum price for the entire project and a breakdown is not available. There were 5,012 square feet of stone facing and 720 lineal feet of coping stone.
5. Yes.
6. Yes.
7. Work associated with canals is outside the Department of Public Works' mandate.
8. The contractor had a maximum of 22 employees and a minimum of nine employees during construction.
9. The firm in charge was Johnson, Sustrom & Weinstein Associates Ltd.
10. No.
11. No. Agreement was reached with the Department of Public Works for the portion of the stairway on land under their jurisdiction.
12. (a) January 13, 1978; (b) July 31, 1978.
13. By province, the Department of Indian Affairs and Northern Development employs the following numbers of construction personnel: Newfoundland—104; Nova Scotia—92; New Brunswick—69; Prince Edward Island—4; Quebec—30 full-time, 303 part-time; Ontario—212; Manitoba—21; Saskatchewan—51; Alberta—55; British Columbia—96.

DND—POSSIBLE PURCHASE OF EQUIPMENT

Question No. 1,965—**Mr. Dick:**

1. Has the Department of National Defence, now, or ever purchased computer or other electronic or data processing equipment from a company named "E Systems"?
2. Did "E Systems" rent 10 rooms at the Skyline Hotel in Ottawa on December 16, 1977 for the purpose of entertaining employees of the Department of National Defence and, if so, what were the names and ranks of the Departmental employees who attended the reception?

Hon. Barney Danson (Minister of National Defence): 1. Yes.

2. The Department of National Defence has no detailed knowledge of "E Systems" rentals at the Skyline Hotel or the purpose of such rentals. However, the department is aware that a number of personnel from DND were invited to a reception at the Skyline Hotel on December 16, 1977.

DEPORTATION OF MARLEEN MIRVELYN CHANCE

Question No. 1,966—**Mr. Dick:**

1. Did Immigration officers order the deportation of Marleen Mirvelyn Chance, a citizen of Jamaica, from Toronto on February 4, 1978?
2. Was Marleen Mirvelyn Chance subsequently released on a cash bond and did she evade a Canada-wide warrant for her arrest until her apprehension by the City of Vanier police for shoplifting on November 28, 1977?
