

FOREWORD

To
The Alumni of Princeton:

On Armistice Day a mass meeting was held in Alexander Hall, sponsored by the University and the citizens of the town of Princeton, in support of the adherence of the United States to the World Court at The Hague. The speaker of the evening was Mr. Raymond B. Fosdick, of the Class of 1905, a Charter Trustee of the University. Mr. Fosdick's interest in our international responsibilities and opportunities is well known. His address was such a clear and cogent exposition of this important subject that I am sending it to the whole body of our alumni.

JOHN GRIER HIBBEN.
