

# DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

PREPARED BY DR. C. M. JACKSON, PHILADELPHIA, PA.,

**WILL** effectually cure LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fulness or Blood to the Head, Acidity of the Stomach, Nausea Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurred and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots of Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favour given by the most prominent and well-known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most sceptical that this remedy is really deserving the great celebrity it has obtained.

**Derangements of the Liver and Stomach,** Are sources of insanity. From disorder or obstruction, a morbid action of the sympathetic and other nerves follows, and the functions of the brain are impaired and deranged; derangement there will also produce diseases of the heart, skin, lungs and kidneys. It is owing to the same cause that thousands died with Cholera, Bilious or Yellow Fever, and that most baneful disease, Consumption.

The general want of success in treating diseases of the liver and stomach, has not been a deficiency of pathological knowledge of their functions, but of a suitable compound that would act upon the disease and all the sympathetic affections. That has been gained in these Bitters: and they can be used by persons with the most delicate stomach with perfect safety, as they at no time debilitate the patient, but give strength and increase the nervous energy. They can be taken at all times, and under all circumstances. No ordinary exposure will prevent them having a salutary effect, and no bad effect can result from an over-dose.

If patients will persevere in the use of this remedy, and use it strictly according to directions, it will cure the foregoing diseases in every instance. If not beyond the power of medicine: it has caused many to enjoy the blessing of renewed health, and in many desperate and abandoned cases a perfect and radical cure.

**Persons advanced in Life,** And feeling the hand of Time weighing heavily upon them, with all its attendant ills, will find in the use of the Bitters, an Elixir that will instil new life into their veins; restore in a measure, the energy and ardor of more youthful days; build up their shrunken frames, and give health and happiness to their remaining years.

It is a well-established fact, that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or, to use their own expression, "never feel well;" they are languid, devoid of all energy, extremely nervous, and have no appetites. To this class of invalids, these Bitters are especially recommended. Their peculiar tonic and invigorating properties render them invaluable in such cases.

Persons visiting districts harassed annually with Fever and Ague, or any Fever of a Bilious nature, will find that

by the timely use of one or two bottles, they will not in one instance take the disease, as the Bitters will renovate and strengthen the system, and carry the Bile off in its natural channel. *Prevention is better than a cure.*

**They are entirely Vegetable,**

And free from Alcoholic Stimulant, and all injurious ingredients; are pleasant in taste and smell, mild in their operation, will expel all morbid secretions from the body, give bloom to the pallid cheek, and health and vigour to the frame. Price, 75 cents per bottle.

Principal Office, No. 96, Arch Street, Philadelphia, Pa.

## READ THE TESTIMONY.

ASTONISHING CURE WITH ONLY ONE BOTTLE.

Joe. B. Hall & Co. say:

Presque Isle, Aroostook Co., Me., April 24, 1854.

"We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters; we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, has been complaining of a pain in her side for six or seven years, and about the last of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hooiland's German Bitters," I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now after taking *one bottle*, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. Wm. CLARKE, Salmon Brook, Aroostook Co., Me.

## IS NOT THE FOLLOWING CONCLUSIVE?

HAVERHILL, Mass., Feb. 7, 1857.

Dr. C. M. Jackson.—Dear Sir—We herewith enclose you a certificate, from our Mr. Emerson, in favour of your valuable Bitters, which you are at liberty to use as you deem expedient. It is the first certificate for a similar purpose that has ever been issued from this establishment, but in the present case, we are prompted by duty.

Truly yours,

EMERSON & HOWE.

## CERTIFICATE OF CHARLES B. EMERSON.

HAVERHILL, Mass., Feb. 7, 1857.

Dear Sir—Permit me the pleasure of stating to you the gratification I have in vinding, and the universal favour, *Hoiland's German Bitters* meet with, by nearly every person, who has had occasion to test their virtues in this vicinity. This Establishment has had the Agency of your medicine since 1853, and I can safely say, there has been no remedy placed before the public, within the scope of my knowledge, that has met so much general favour, and so worthily as the German Bitters. I have no hesitation in recommending them to our customers, suffering with diseases for which they are appropriate, feeling confident from past experience that they will do all, and *even more*, than is promised of them. In Dyspepsia and Liver Complaint I *defy an equal*. To Druggists I can recommend them as a safe investment, and to the public as a truly worthy remedy.

Very truly, yours,

CHAS. B. EMERSON.
