

Extracts from the Proceedings of the County Council of
Oxford at the January Session, 1879.

REPORT OF SELECT COMMITTEE.

To the Warden and Members of the Municipal Council
of the County of Oxford :

GENTLEMEN,—The Select Committee appointed by the Council in December, 1878, to revise the County By-laws respectfully, report as follows :

Your Committee have carefully examined all the By-laws of the Council, and after consideration have resolved to arrange them for the sake of convenience in reference, into the following classes. viz: In the first class are included all such as are temporary in their characters and have therefore expired ; in the second class all such as have been repealed by other By-laws, cancelled, or superseded by acts of Parliament, or quashed by Court of Queen's Bench ; and in the third class all that are in force at the present time. Your Committee recommend that the numbers and titles alone of the By-laws included in the first and second classes be printed. Of those in the third class, that numbers 81, 108, 130, 136, 138, 158, 159, 172, 175, 176, 177, 183, 193, 195, 211, 214 and 224 be printed in full. In regard to the remaining 18 By-laws that are in force, it is the opinion of your Committee that they are not of sufficient public importance to require that more than the number and title of each should be printed. Your Committee would also recommend that By-laws numbers 3, 6 and 62 be consolidated and repealed by a new By-law.

Also that By-laws numbers 73, 92 and 171 be repealed by new By-laws.

Your Committee beg to submit herewith for your consideration draft copies for the purpose of consolidating and repealing the above named By-laws.

Your attention is also called to the fact that the third clause of By-law number 159 requires to be amended.
