**CITY HANDICAP.**  
Wildmint, 10 to 1, Won; First Mason, 15 to 1, Second; Caughnawaga Third.

New York, Aug. 30.—On a heavy track, James E. Keener's Wild Mint, a ten to one shot, to-day won the \$10,000 Twin City Handicap at 1 1/2 miles at Sheepshead Bay, defeating First Mason, another long shot, by half a length. Caughnawaga was third. Considering the condition of the track, Wild Mint's time of 2:06 4/5 was good. Jacquin was added in this race and was supposed to be a good thing, but he was not in the race. He finished next to last.

Proper was made a hot favorite at 5 to 2 and was heavily played, while the price against the other horses gradually went up. The start was poor, Proper getting in at the head of the pack, and Wild Mint took the lead, at the first turn being four lengths in front of Jacquin, with Cairns third. In the second turn Wild Mint stretched Nicol took a good hold of Wild Mint, who was still leading by four lengths. Bounding the far turn Jacquin began to stop and Bullman on First Mason, began to get away from the leader, and gradually closed the gap, but Wild Mint instead of long enough to win. His length separated the second and third horses.

Running Water, second choice, captured the Great City Stakes, worth \$800 to the winner, by a half length. See Smith, favorite, was second, followed by Running Water with a rush and won. Two favorites won. The attendance was small and the weather rainy. Summary:
