**Carling's Ale**

The barley used in Carling's Ale is grown in the most favored barley growing sections in the world, and selected by Carling's own experts.

Every pound is put through a machine which separates all imperfect grains and foreign substances.

The same expense and care is given to every part of the Carling process—the result is that Carling's Ale is popularly known as Canada's favorite beverage.

Sold by all enterprising dealers.

Noted for its Purity, Brilliance and Uniformity.

**NEAVE'S FOOD**

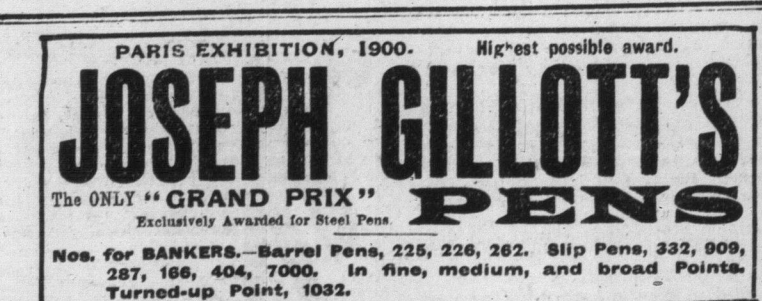

From Infancy to Old Age.

There is no better food than Neave's Food.

The most delicate stomach can take it, and in a very short time a thoroughly healthy condition of body is established, the blood is purified, and life-giving particles, and where weakness and discomfort previously existed there is strength and vigor.

Mrs. BLACKMORE, of a Marine Parade, Clevedon, writes: "I have forwarded you this post a letter about my little girl, age eight months, who has been brought up entirely on Neave's Food, which we found to be in every respect... We have tried other foods, which she refused to eat, but for her we do with pleasure recommend your Food to all our friends."
