Toronto Lose Their First. Toronto Lose Their First.

BUFFALO, N.Y., May 1.—(Special.)—
The Maple Leafs lost their first game today, being defeated by Burnuo, 9 to 4.
The defeat was not the result of poor playing on the part of Toronto, for the visitors
again made a splendid impression with the
coid air fans.

Victory perched on Buralo's side for the
reason that Mitchell had an off day, a la
Currie on Monday. One bad inning and the
game was lost. Mitchell started in nicely

of last year's Beaverton lacrosse team, arrived in Peterboro 'resterday at noon, and will play lacrosse with that team in the Intermediate C.L.A. series this year. Peterboro lacrosse enthusiasts are jubilant, and it is felt that with McDonogh on the home and with the great array of talent there the team should be right in the running at all stages. McDonogh has secured a position here at Peterboro, where they are making arrangements for a game with the Tond, and Murray beat his bunt, laid down towards Phyle. Smith hit to Phyle and the latter promptly handed the bail to Flood, and Murray was retired, but Smith was safe. McConnell, who has been doing some stiff hitting thus far, plugged the sphere to centre. Mickey Corcoran then stepped up and biffed the ball beyond Thoney's head, scring Smith. Ryan fouled out to Keley. With two men down, one run appeared to be Buffalo's portion, but Mitchell appeared to lose all control.

ed to lose all control.

He gave out passes to first to Milligan,
Nattress and Gettman, thus forcing in Corcoran and leaving the bases filled. Phyle
put on the finishing touch when he stopped a sizzler from White's bat, turned and
fired the ball over Kelley's head. The
throw went so far that the bases were
cleaned and it came Murray's turn to bat
for a second time. He fanned. Mitchell
not only pitched as wild as a hawk, but he
argued so strongly that Umpire Owens Patterson, Shanbo, Morrow, H. Burns, Chapman and McKay.

Hamilton are said to have secured four men, who played in the N.L.U. last year. Si Pitcher is likely one of them.

Kempthorne of Paris, who was billed to play goal for the Hamilton seniors, has decided to remain amasteur and Hamilton are said to be after an eastern man.

O.J.C. JCCKEYS AND TRAINERS

not only patched as wild as a hawk, but he argued so strongly that Umpire Owens pur him out of the grounds, something he desired, no doubt. Toren, the westgrn boy, was called in, and, altho he stayfed with two balls called on the batter from Mitchell's pitching, closed the inning, and the game in a credible manner.

Before the Bisons had scored their six likes time like sure victory for the league leaders. World had been retried on an infield hit, when Wiedensaul drew a base on balls, Frick tried to sacrifice. Pitcher,
