

Advance Spring Opening To-day

TO-DAY—as announced—we will have our preliminary opening of Ladies' Spring Hats.

We think this sale should claim the particular notice of the public because of the fact that we have endeavored to import only exclusive designs from Paris and New York—designs which, we believe, cannot be purchased outside those cities except from us.

These hats, even to the casual visitor, will prove a revelation of tasty style and rich artistic coloring. They present a variety of remarkable effects, mostly in the military designs of broad crowns, with the brims shaped sharply upward off the forehead—more braid and web straw used extensively with heavy gold buckles and ornaments. Fuchsia and bright greens are popular tints, and gold braid is noticeable in many Paris effects.
