Picturesque Spot Is Officially

Fishers' Glen, a picturesque little resort on Lake Erie, two miles from the historical little village of Normandale, where the first stoves made in Canada were assembled, and due south of Sim-coe. will be the site of the district Y. by F. Poole, district secretary of the association. The camp is to be held from July 5 to 17.

Mr. Poole, who has just returned from

an inspection of the grounds, described Fishers' Glen as one of the beauty spots of Western Ontario. Near the site of Ottawa, April 26.—Canadian Press.—
Where daylight saving is in effect in Canadian towns and cities postmasters are given authority to faë in line in regard to hours of opening and closing postoffices. The Official Postal Guide says: "It is necessary in all cases that arrangements shall be made to dispatch and receive mails in accordance with the railway timetables; but in the matter of time of opening and closing the postoffice the postmaster should be guided by the action of the municipal authorities; that is, in any place where the local authorities decide to adopt daylight saving time, the postoffice may do likewise."

Where daylight saving is in effect in Canadian Press.—
Where the bleauty spots of the camp will be a beautiful grove of maple trees, which will afford a splen-did place for nature study. The beauty of the spot, however, does not exist only in the pleasing scenery, because a famous trout stream abounding in speckled beauties, waiting to make lightning darts at the bright-colored flies, flows nearby. The great bass grounds of Lake Erie are within easy reach of the camp.

The regular I would papitate dreadfully, and I had awful cramps in the pit of my stomach. I suffered nearly always with severe headaches, which at times was so bad I could scarcely see, my eyes pained me so bad. I was so extremely restless at night I do not believe I ever slept more than two hours any night. My complexion was pale and sallow, my tongue was always coated, and if, I got over with a rash.

"I had tried awful cramps in the pit of my stomach. I suffered nearly always with a family stomach. I suffered nearly always with a family in the pleasing scenery, because a famous trout stream abounding in me so bad. I was so extremely restless at night I do not believe I ever slept more than two hours any night. My complexion was pale and sallow, my tongue was always coated, and if, I got over with a rash.

"I had tried awful readfully and I had awful cramps in the pit of my stomach. I suffered nearly always with a family and I The regular Canadian Standard Enticiency Tests summer program will be
