

SEVEN MEN NAMED
IN LATEST LISTS

Lieut. J. H. K. Gourlie of
Scarboro Has Been Killed
in Action.

Of the seven soldiers mentioned in the latest casualty lists who are known or have relatives in Toronto, three are listed as killed in action, one as having died of wounds and three are presumed to be dead, and two are reported as wounded.

R. H. Gourlie, of Scarborough, yesterday received official notification that he was killed in action. He was the eldest of seven sons, five of whom are under 18 years, while another is in a flying corps in Toronto. He was 22 years old and left Toronto on September 26, with a draft of officers. He left Sandling camp for the front just a month ago. For several years he was employed in the business office of the Winnipeg Free Press, but when war broke out he came to Toronto to enlist.

Sergeant J. Weir, in the lists as killed in action, leaves a wife and three children in Aberdeen, Scotland. He enlisted with a Toronto battalion and trained at Niagara camp.

Arthur Corp. Torrance Marshall has been killed in action. He had been wounded three times and had been mentioned in despatches, for bravery. He was 22 years old and enlisted with the York Rangers. He was the youngest son of Mr. and Mrs. George Marshall, 31 River street.

Lance-Corp. Robert Cook, whose home was at 229 Albany avenue, died of the effects of pneumonia and wounds, according to a letter received by his mother, from a nurse who was attending him.

Pte. Walter J. Thomas, son of Fred W. Thomas, 88 Fulton avenue, has been missing since the battle of Zillebeke, June, 1916, and is now in the list as presumed dead. He was 20 years old.

Pte. James Dryborough, 31 Tiverton avenue, has been wounded by gunshot in the arm. He is 26 years old, and a native of Scotland. He had been in Canada for ten years.

Gunner John S. Thibodeau has been reported as wounded. He is a Mackham boy, and was a student at the University of Toronto before enlisting with an artillery draft.

THE OKLAHOMA CAR
A LOCAL ATTRACTION

No Land Sold on Car, But
Particulars Furnished.

The Indians of Oklahoma, U.S.A., are in possession of a large tract of land, valuable in its natural resources and most productive when cultivated, while much of it is well timbered. It is to be sold by the United States Government, and the McAllister R. E. Co. have sent out a car displaying the immense possibilities of the land. No land is sold on the car, but a staff of courteous attendants are ready with a wealth of information. They explain that the land is being required on the property to be allotted, but those who desire to take an interest may appoint the McAllister R. E. Co. to act as the purchaser's representative to obtain the desired land.

Oklahoma last year produced 128,000,000 barrels of oil, and is recognized as one of the most wonderful oil fields in the world. If oil is found on land purchased, the owner is paid royalty on all oil produced. It is said hundreds of purchasers of cheap Indian land have reaped large fortunes from oil royalties.

It is well worth a visit to the car. Admission is free and Mr. J. T. Ward, who is in charge, will give the fullest information. The car is on the Grand Trunk siding on Simcoe street, near Wellington.

ARE BUYING NEW AUTOS.

The board of education is practicing wise economy these days. One item of \$4,000 has been included in the estimates for two new motor cars, and yesterday afternoon a committee of trustees (McGarggatt, Edmunds, Hodgson, Hamblin and Superintendent Bishop) were out trying several makes of cars, but no decision has yet been arrived at. A new mahogany desk has just been installed in the office of Secretary Wilkinson. It is a beautiful piece, and the committee that was in use has been removed to make room for the new one.

YORK BATTALION SCOUTS.

The following members of the 230th York County Battalion have passed examinations qualifying them as scouts: Ptes. S. Evans, E. Byer, S. M. Braithwaite, D. Kelly, J. B. S. Fenning, W. K. Walker, H. E. Ash and A. S. Burke.

STRIKE MAY CONTINUE.

Unless one of the contractors on the new Union Station feels inclined to pay an increase in the wages to the men of the Laborers' Union, the strike seems likely to continue for some time. Last week it was alleged Manager Oakley, of the stone work, was not paying the union rate of pay, and in consequence twenty-eight members of the Builders' Laborers' Union walked out and have stated their determination to remain out until an agreement is reached giving them 35 cents per hour.

If Stomach Hurts
Drink Hot Water

"If dyspeptics, sufferers from gas, sourness, gastric catarrh, heartburn, etc., would take a teaspoonful of pure burdock root immediately after eating, they would soon forget they were ever afflicted with stomach troubles. The burdock root is a powerful stomachic and it would have to look elsewhere for pain. In explanation of these words, a well-known New York physician stated that most forms of stomach trouble are of the food content and fermentation of the food content and the stomach combined with an insufficient blood supply. Hot water increases the blood supply and the burdock root instantly neutralizes the excessive stomach acid and stops food fermentation. A combination of the two, therefore, being a very successful and decidedly preferable to the use of artificial digestants, stimulants or medicines for indigestion.

CITY HALL NOTES

Since the war began the city has paid to military units amounts totaling \$86,545. No more grants will be made, except those already authorized, and in the future the military authorities will be held that the government should look after their wants.

It is stated that to effect a saving of \$120,000 a year in the street lighting bill as proposed by the board of control would mean that the city would be placed in almost total darkness, as practically all the lights would have to be discontinued.

The city guild will oppose the city's application before the railway board next Friday for a subway under the C.P.R. tracks at Summerhill avenue in connection with the company's double-tracking scheme.

NEWMAN HALL ALUMNI
HOLDS ANNUAL MEETING

The third annual meeting of Newman Hall Alumni was held yesterday, when guests from the State of New York and many points of Ontario were present. The rector, Rev. John Burke, was host, and at the head table were His Grace Archbishop McNeill, Mr. J. H. Gough and John Ferguson. An eloquent address of Cardinal Newman was given by President Falconer. Archbishop McNeill and others also spoke, and Miss Albertine Nab fell the honor of toasting the "Boys in Khaki" of Newman Hall, who, she said, were among the first to respond to the call for overseas service. The gathering was a most enthusiastic one and gave much promise of future development and interest of the alumni and the things for which it stands.

Club for Returned Soldiers
Will Be Opened Monday

The opening of the Red Triangle Club, Queen and Victoria streets, for returned soldiers takes place next Monday and the formal ceremony will be held in the evening. Mayor Church has been asked to be present, as well as Major-General Logie, the executive of the Great War Veterans' Association and many other prominent citizens. The new club will provide social and rest accommodation and transient soldiers will be able to obtain a bed there Monday and the following two days the rooms will be open to the public and an orchestra will be in attendance. The club will also run on the same lines as the Y.M.C.A. huts in England. It will be in charge of D. Thompson, the general secretary, who will have a competent staff and have the club will also work in co-operation with other associations in trying to place returned soldiers in suitable occupations.

SPECIAL SERVICE MEN
GET NO FUND MONEY

Toronto members of No. 2 Special Service Company are still having withheld from them the allowance from the patriotic fund. The men of the company, who are serving in the trenches, are being paid by the government, but the fund money is being withheld. The company is being paid by the government, but the fund money is being withheld. The company is being paid by the government, but the fund money is being withheld.

SAYS STRAW WAS WORTHLESS.

Judge Costworth in the general sessions yesterday in testimony in the case of George A. Lyons, a Toronto flour and feed dealer, who seeks to recover \$200 from the North York Corporation. The plaintiff claims that a certain quantity of straw bought by the defendant proved worthless. The defendant contends that the straw was inspected and bought by his agent.

SUES STREET RAILWAY.

Justice Sutherland will resume bearing in the non-jury session this morning the case of Miss Ivy Whitaker, who is suing the Toronto Street Railway Company for \$3000 damages for alleged injuries sustained by a street car at Queen and Bay streets. The transport company is also a defendant.

DISTRICT CHIEF JONES HURT.

Between 8 o'clock and 4.15 yesterday afternoon 18 fire calls came into the fire department switchboard. They were all grass fires.

While responding to a call in North Toronto, District Chief Jones, of Yonge street firehall, had his right arm broken when the motor car he was driving to the scene of the fire overturned at the corner of Yonge and Hayden streets, and threw him to the pavement. He was removed to the general hospital.

SHOULDN'T HAVE COMPLAINED.

As the result of complaining to the police that his house on West Adelaide street had been broken into by Charles Carlson and Oscar Honlki, William Hodson appeared in the police court yesterday on a charge of keeping a liquor on his premises. Evidence in the housebreaking, with which Honlki and Carlson are charged, and the liquor case will be heard today.

ABANDON CONFERENCES.

At a committee meeting of the Ontario advisory committee for co-operation in boys' work held yesterday morning it was decided to call off all the summer conferences on account of the food production campaign.

STRUCK BY MOTORCYCLE.

Five-year-old Hymie Clarendon, 112 Agnes street, was struck by a motorcyclist yesterday afternoon while crossing the intersection at Elizabeth and Agnes streets, sustaining injuries to the head. He was removed to the hospital for sick children.

"In the Midst of Life"

Not long since a prominent young business man was granted \$5,000 insurance in The Imperial Life.

He passed the rigid medical examination required, and so expected to enjoy many years of good health.

A few days later he was drowned, and in less than a month from the day his insurance was issued his father had been paid the proceeds.

Perhaps you expect to live for many years—and you may. But suppose you die next week. Will your widow then have to face a life of drudgery? Or, will you, while you still have the opportunity, provide for her an income as long as she lives?

Write today for free information as to how this can be done.

WILLS PROBATED

Mrs. W. E. Gooderham is sole beneficiary of the estate of \$6851 left by her husband, who died in Scarborough Township March 15. After her death the property goes to her two sons and daughters.

Three daughters will divide the estate of \$4003 left by Robert Miller of the Township of Cummerby, Huron County, who died Jan. 11.

William S. McCoy and his son will divide the estate of \$1850 left by Mrs. McCoy, who died Feb. 6.

ACCOMMODATE PUPILS
IN TECHNICAL SCHOOL

R. J. Stevenson Says Children
Could Be Taught in That
Institution.

That the Technical School could be utilized in securing additional accommodation for the public schools which is so badly needed was the opinion of R. J. Stevenson in his report of the recent visit to that institution. The report was submitted at the meeting of the board of education yesterday afternoon. He also stated that in his opinion there are too many high school teachers spending their time in showing visitors around the school, and that some of the teachers should be given to a returned soldier. He also found fault with the methods employed in the teaching of motor car work, but no instruction is being given in driving, he said.

Mr. Stevenson said that some arrangements could be made with the city officials so that teaching could be held in some of the city parks, and mentioned the Exhibition park, and mentioned the Exhibition park, and mentioned the Exhibition park.

Five-year-old Hymie Clarendon, 112 Agnes street, was struck by a motorcyclist yesterday afternoon while crossing the intersection at Elizabeth and Agnes streets, sustaining injuries to the head. He was removed to the hospital for sick children.

HEAVY INCREASE
IN COMPENSATION

Workmen's Compensation
Board Anticipates Little
Rate Increase.

Accident compensation for 1916 amounted to \$2,423,885, or an average of \$7800 for each working day of the year, according to the report of the Workmen's Compensation Board, published yesterday. Of this amount \$1,971,675 was for cases coming under schedule 1.

This is a heavy increase over 1915, says the report. The compensation for schedule 1 for 1915, was \$1,091,020. The reason for the increase was the activity in industries stimulated by war and more complete reporting of accidents.

Compensated accidents happening during 1916 amounted to 16,132, of which 256 were fatal, 1418 permanent disability, and 12,596 temporary. In 1915, 12,828 occurred. In addition, 7672 other accidents were reported. Total assessments in schedule 1 amounted to \$1,949,045, contributed to by 15,300 employers on payrolls aggregating \$133,000,000. Little raise in rates is anticipated.

Wages increased from \$13.27 to \$15.25, while duration of average disability decreased from 20.86 days to 19.51 days. The average of workmen injured was 32.29 years, the oldest 51 and the youngest 11, the latter fatally.

STORMS DISORGANIZE
TELEPHONE SERVICES

Good Friday's storm of wet snow, followed by a gale of wind and rain, provided just the combination to give the telephone and telegraph companies a maximum of trouble. From a few miles west of Toronto, northward to Lake Simcoe, eastward to Nanawau along the front, and also via Peterborough and Lindsay to Ottawa, the havoc to telephone circuits was terrific. In the neighborhood of a thousand poles were down, carrying with them their heavy copper circuits. Near Nanawau there was one stretch of five straight miles where not a pole, loaded as they were with wet snow, could resist the fury of the storm.

Altho telephone gangs from Toronto, Montreal, Ottawa and other cities were quickly on the ground, the work of repairs, owing to the great congestion of express and freight traffic, had been very difficult. Material of all kinds was never so scarce, but fortunately the Bell Telephone Co. carries a big stock of such emergency supplies as rubber cable, copper wire, etc., so that the work of restoration has been speeded up as much as possible.

Controllers Had No Chance
To Continue Their Argument

Representatives of the International Bible Students appeared before the police commissioners yesterday to repudiate certain statements made by the press regarding the sentiments expressed at a recent meeting in the Royal Alexandra Theatre by Judge J. R. Rutherford of New York. The commissioners decided to rush the matter, and to avoid another clash, but he was asked by the two "militant" widders if a returned man was not going to be appointed to the position.

Controller Shaw stated that the young man recommended was a hunchback, and unfit for military service. The appointment was made, with Controller Foster dissenting.

City Sends Representative
To Building Convention

Before the civic property committee yesterday, Ald. Singer alone objected to the sending of a representative from the city architect's department to the annual convention of the Building and National Property Protective Association at Washington, D. C. next month. He declared that the city should cut out frills and extravagance and that the representative should be a man of the department sent for the papers and get all the information desired, for two stamps.

Ald. Maguire and Gibbons did not agree with him, and declared that by spending about \$60 in sending a representative to the convention, the city would likely be saved \$1000 in the long run. A resolution was obtained. A representative will be sent.

LIBRARY ASSOCIATION
CONCLUDES MEETING

A resolution embodying a request of the Donor's Government for powers of selecting and purchasing sites upon which to erect library buildings, to be paid for by general taxation, and urging an amendment providing for increase for an obligatory rate of half a mill on the dollar, in addition to the present rate of one mill, was adopted.

At the closing session yesterday morning of the Ontario Library Association, in the public reference room, the officers selected for 1917 are:

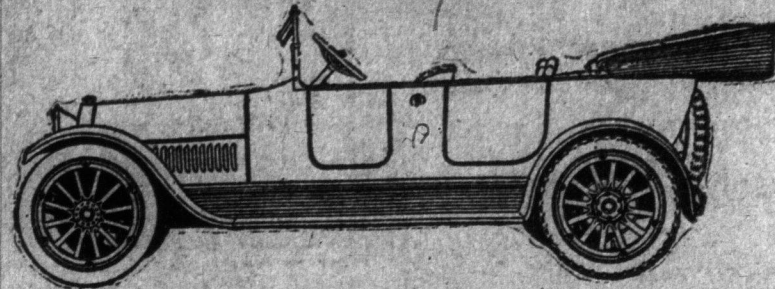

President, Miss Mary J. L. Black, Fort William; vice-presidents, F. E. Gurn, B.A., Windsor, and D. M. Grant, B.A., Barrie; secretary-treasurer, E. A. Hardy, B.A., D. Paed., Toronto; Council—W. J. Sykes, B.A., Ottawa; W. H. Murch, St. Thomas; Miss B. Mabel Dunham, B.A., Kitchener; R. H. Bellamy, Mt. Brydges; J. T. Little, B.A., Orillia; Geo. H. Locke, M.A., Toronto.

HOTELKEEPER FINED
ON APPEAL OF CROWN

Judge Denton yesterday allowed the appeal taken by the crown attorney, under the direction of the attorney-general, in the judgment of Police Magistrate Denison, who dismissed the charge of illegal sale of liquor, against a hotelkeeper. Lamb, who is the proprietor of a Yonge street hotel, was charged with selling alcohol to more than six persons at one time. He pleaded that he had bought the gin and was over-awakened. Judge Denton found him guilty and fined him \$200. Additional evidence was heard and the judge declared that if the magistrate had heard all the testimony which was submitted, he would have found Lamb guilty.

INJURED BY BICYCLE.

W. McCabe, 8 St. Patrick street, was knocked down by a bicycle last night while crossing Yonge street. When picked up, he was unconscious. He was removed to the General Hospital. He is reported to be suffering from concussion of the brain.

Studebaker
Established 1892

For Your Convenience

A feature of the new Series 18 Studebaker cars which has attracted motorists everywhere, is the reversible front seat.

While both front seats are individual and built to conform to the contour of the passenger's back—the seat next to driver's may be turned over quickly and easily. This enables the occupant to sit facing forward or facing the tonneau.

No other car on the market offers you this convenience—it is an original idea, exclusive with Studebaker.

Both front seats are adjustable to all lengths. When necessary, one or both may be lifted out of the car entirely. Many people on tours do this and sleep in the car itself.

Come in and see these new Studebaker cars—note the many improvements and refinements.

REINSERT LARGE AMOUNT
IN ESTIMATES FOR PARKS

Commissioner Tells Committee
That Reduction Would Be
Serious Handicap.

To the parks committee yesterday Commissioner Chambers submitted a copy of a request to the board of control for the restoration of certain sums in his estimates. He stated that the reductions would mean the closing of bowling greens, tennis courts, quoits pitches, cricket fields, skating rinks and toboggan slides, and the abandonment of the cruises on the lake. He stated that the reductions would also lessen the work on the Humber boulevard, which the city was obliged to carry out. He said that the city would lose many valuable men, whom it had taken years to make efficient.

PRESENTS THE GROUND
FOR AVIATION CENTRE

F. B. Robins Gives Five Hundred
Acres for Royal Flying Corps
Training Purposes.

The aviation department of the imperial munitions board has accepted the offer of Mr. Frederick B. Robins, to donate about 500 acres of land situated in Ridley Park, North Toronto, for training purposes for the Royal Flying Corps, for the duration of the war.

Col. C. Hoare, commanding the Royal Flying Corps, Canada, finally passed upon this location as being suitable for their purposes, after considering several other sites throughout the province. The site is ideally located for an aviation field, being one of the highest points in Toronto, and very level.

Three squadrons, comprising 15 aeroplanes each, will be the establishment of this military area, between 500 and 600 men will be employed. Work will be immediately commenced to place this land in shape, and a large force of men will soon be working grading, leveling and constructing the necessary buildings.

The Royal Flying Corps have established similar schools at Camp Borden and Deseronto.

TO BUY THIRTY-ONE SCALES.

In the estimates for the public schools, to be submitted by Superintendent Kerr at today's meeting of the management committee of the board of education, appears items for meals and groceries, to be used, it is understood, in the domestic science classes, of which there are about fifteen. The total amounts to the handsomely sum of \$225.36 for the year.

It is also recommended that 31 pairs of scales, with weights, be supplied to the schools. When seen by a reporter for The World, Superintendent Kerr was unable to say for what purpose these scales are required. "I suppose it is to weigh the large amount of garden produce that will be grown," he said.
