Dunham of Dufferin Row, has received her appointment to the war and left last evening for Montreal from where she will proceed overseas. Miss Dunham has just returned with her mother and aunt Mrs. G. W. Scott after an extended tour through England, Scotland and Ireland. Upon her arrival in St. John Miss Dunham received an offer from the Newton Hospital to accept a position there, and would be head nurse in the operating room. This offer Miss Dunham declined in view of her expecting her overseas appointment and as a loyal Canadian girl she accepted the offer to serve her country in preference to the other. She applied when the war first broke out but only recently had received notice to proceed overseas.

H. Richardson, international motion picture expert and one of the editors of the "Motion Picture World," which is the authoritative trade paper of the "movie" men. A committee was appointed, with A. G. Mason chairman, to make the necessary arrangements for the entertainment of the visitor. The entertainment will take the form of an auto run in the forenoon, to one of the suburbs of Waterford, and a luncheon at the Imperial Theatre. Richardson will visit the various theatres and have a talk with the managers. The evening he will lecture in one of the local auditoriums, to the movie men, upon things of interest to them. He is expected about the first week in August.

### News of Maritime Men In The War

#### Amherst News—Captain Henry Hoyt

Pineo of the Mounted Rifles has been killed in action. Such was the sad word received in Amherst this morning that has cast a gloom over the entire community. Although a native of Waterford, N. B., Capt. Pineo, previous to joining the 6th Mounted Rifles, was connected with the legal firm of Ralston Harvey and Watson. Twenty-four years of age, Capt. Pineo is a soldier of long standing, for in 1911 he participated in the Coronation ceremonies at London. He was a graduate of Acadia and of Dalhousie. His promotion came after he had gone overseas, and recently attained the coveted rank of major. He is survived by his parents, Mr. and Mrs. W. W. Pineo of Waterford.

Carter, infantry, had been wounded in France and had been admitted to hospital at Liverpool, Eng. Pte. Carter enlisted at Montreal with the 78th Battalion. He had gone to France from England on 18th June. His mother received a letter from him dated July 15 in which he wrote of his experiences in France. He had met his brother, Driver Gerald Carter, who has been with the Canadian Army Medical Corps since the 1st Division, C.E.F., went to France.

#### To Join the Killies

Sergt. N. Cameron McFarlane, who is at present on the firing line with the 23rd Battalion, is coming home to take a commission in the 23rd Battalion. He is to be a lieutenant in the York county Platoon. Lieut. McFarlane is a son of S. H. McFarlane, of Fredericton. He was on the staff of Macdonald College at Quebec and joined one of the McGill University companies recruited as reinforcements for the Princess Pats. He was promoted to the rank of lance corporal while in training in England. His promotion to the rank of sergeant came as a result of his work during the heavy fighting in which the Princess Pats played such a prominent part early in June. A recent letter from Lieut. McFarlane stated that he was then acting platoon sergeant.

#### Going Overseas as Nursing Sister

#### The Dalhousie Unit

A member of the Dalhousie Unit in Halifax says the unit is very busy now attending to wounded brought in from the great battle which the British are waging in Northern France. The hospital has been divided into two units, the second one being a large tent with accommodation for 450 beds, under Major L. M. Murray. Sergt.-Major Brown is in charge and Sergt. Tom Robinson has taken the place of Brown temporarily, as sergeant-major. The Dalhousie men made a record in equipping the new hospital, fitting it up in two and a half days. Lieut. W. Grant and Captain J. W. Logan are at the hospital from the front, recuperating. The latter states that Major "Stan" Baird expects very soon to be able to return to the front, and rumor has it that he will command his old battalion.
