

TO ELIMINATE DUAL ELECTION

City Will Seek Legislation to Provide For One Contest

Com. Harding Expresses Opinion That Commission Government Has Fallen Down

The City Council yesterday decided to promote legislation to do away with the double election for commissioners and mayor, at the coming session of the legislature, and should the necessary act be passed the election will be effective in time for the election in the spring.

The matter was brought up by Commissioner Bullock, who said he had discussed the question with a number of citizens and they were of the opinion that the double election had outlived its usefulness, and an amendment to the charter doing away with it would be in the best interest of the electorate.

REQUESTED TO PREPARE BILL.

He moved that the city solicitor be requested to prepare a bill to amend the charter to provide that in future only one election be held, and the date of such to be the second Monday in April in the years in which an election was due, and the common clerk be instructed to advertise the bill.

HARDING OPPOSES.

Commissioner Harding said he was opposed to the motion on the ground the provision would not have been in the charter unless there was good reason for it, and before any action was taken to change it more time should be given for consideration.

He thought the commission form of government had fallen down anyway because the commissioners were not in charge of their own departments, anything of any importance having to be brought to the council for action, and many times held up by the other commissioners.

NO VOTE AGAINST MOTION.

On the vote being taken there was no vote recorded against the motion. The commissioner of finance and public affairs reported payments for January of \$110,840, and recommended payment of the following departmental accounts:

Treasury department, \$708,424; public safety, \$1,638,051; public works, \$1,027,471; water and sewerage, \$1,806,931; harbor, ferries and public lands, \$2,818,230.

FIXED VALUATION ON TANNERY.

The acting mayor reported on the application of Weldon and McLean, acting for C. H. Peters Sons, Ltd., asking that the city have the legislation providing a fixed valuation for their tannery property on Erin street repealed.

Blackheads Go Quick

By This Simple Method

Blackheads—big ones or little ones—soft ones or hard ones—on any part of the body go quickly by a simple method that just dissolves them out. You get about two ounces of peroxide powder from your druggist—sprinkle a little on a hot, wet cloth—rub over the blackheads briskly for a few seconds—and wash off. You'll wonder where the blackheads have gone. Pinching and squeezing blackheads only opens the pores of the skin and leaves them larger and unsightly—while the simple application of peroxide powder and the water washes them right out. Look for the soft and the pores in their natural condition.

Cocoon Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with.

Do not use prepared shampoos or anything else that contains too much free alkali. This dries the scalp, makes the hair brittle, and is very harmful. Multifid coconut oil shampoo (which is pure and entirely greaseless) is much better than anything else you can use for washing hair. It is a n. p. oil, and as this can not possibly injure the hair.

Simply moisten your hair with water and rub it in. Two or three teaspoonfuls of Multifid will make an abundance of rich, creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy, and easy to manage.

You can get Multifid coconut oil shampoo at any drug store. It is inexpensive, and a few ounces will last everyone in the family for months. Be sure your druggist gives you Multifid. Beware of imitations. Look for the name Watkins on the package.

ST. BARNABAS CHURCH TO BUILD S. SCHOOL

It was unanimously decided to erect a Sunday school in connection with St. Barnabas church at a special meeting of the congregation held last night at the residence of John Peacock in the Sandy Point Road. Ven. Archdeacon A. H. Crowfoot, the rector, presided.

STAFF ENJOYS ITSELF.

The members of the staff of Oak Hall and their friends, a company of about 35 in all, spent a very delightful evening, last night, in the upper hall of the store in King street, when cards were played, a delicious supper was served and dancing was indulged in.

TO GOVERNMENT MEETING.

Hon. E. A. Reilly, K. C., of Moncton, and Hon. Lewis Smith, of Fredericton, arrived in the city last evening and left this morning for Fredericton to attend the Government meeting there.

AN OLD RECIPE TO DARKEN HAIR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray.

Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wych's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, for only 75 cents. Everybody uses this preparation now, because no one can possibly tell that you have darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy, and you look years younger.

LOST THAT "UP-AND-AT-EM" FEELING?

Do you get too much work or too much sleep? What's the reason? Maybe it's just a lack of energy. It's 30 drops of Sage's Syrup in a glass of water. Safely and quickly brings you "up." At any drugstore—try it tonight.

Home-made, but Ends Coughs in a Hurry

A family supply of dependable cough medicine. Easily made and saves about \$2.

If you have a severe cough or chest accompanied with soreness, throat tickle, hoarseness, or difficulty breathing, or if your child wakes up during the night with a cough, you want quick help try this reliable old home-made cough remedy. Any drug store can supply you with 3/4 ounce of Pinex. Pour this into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup instead of sugar syrup. The desired. This recipe makes 16 ounces of really remarkable cough remedy. It tastes good, and in spite of its name it can be taken by children. It gives quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It loosens and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing. Pinex is a special kind of ginger, concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many cheap imitations of Pinex with full directions and don't accept anything else. Guaranteed to give absolute relief. Return money promptly refunded. The Pinex Co., Toronto, Ont.
