## LUTHERANS WILL MEET IN CHICAGO

Biennial Conference to Take Place This Month—500 Delegates.

New York, Oct. 7.—Problems of everyday concern to the people of America will arise for discussion at the fourth biennial convention of the United Lutheran Church in America, which will meet in Chicago Oct. 21-30. The 500 delegates who will represent 1,200,000 baptized members of the church throughout the ten-day session will be asked to define the attitude of the United Lutherans upon such live and ever-present questions as marriage and divorce, the morality of the young and the older generations, with the effects of the movies and women's dress upon the prohibition enforcement and the arbitrament of arms.

The United Lutheran Church in America is a young organization but is the largest body of Lutherans in this country. It is six years old, being a merger of Lutherans in the north and Lutherans in the south who had split in Civil War days on the rock of slavery. It is a federation of 35 synods of the Lutheran church comprising 3,816 congregations served by 2,915 pastors.

PREACHING AT WINDSOR.

(Windsor Tribune.)

Chancellor M. Dewey tells this in "My Memories of Eighty Years"—just reissued in a popular edition. It is about Queen Victoria, Disraeli and a young clergyman who had been commanded to preach at Windsor Castle. Disraeli gave him this piece of advice:

"If you preach thirty minutes Her Majesty will be bored. If you preach fifteen minutes, Her Majesty will be pleased. If you preach ten minutes, Her Majesty will be delighted."

"But," said the young clergyman, "what can a preacher possibly say in only ten minutes?"

"That," replied Disraeli, "will be a matter of indifference to Her Majesty."

## Children make constipation a habit—relieve them with Kellogg's Bran

Children punish themselves terribly by ignoring nature's demands. They bring constipation upon themselves. They invite the many other diseases which can be traced to constipation. Immediate steps should be taken to rid them and keep them free from this disease.

It takes ALL bran to be 100 per cent effective. That's what Kellogg's is—ALL bran. That's why doctors everywhere recommend Kellogg's. That is why Kellogg's Bran carries a money-back guarantee to bring permanent relief, if eaten regularly, in the most chronic cases of constipation. That is why Kellogg's Bran, cooked and krambled, has brought glorious, glowing health to thousands—because it is ALL bran.

No matter how long one has suffered with constipation, Kellogg's Bran will bring permanent relief. It is a wonderful surprise if one has been used to ordinary, unpalatable bran.

There are many ways to serve Kellogg's Bran. Eat it with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. Look for the recipes on every package and try it in muffins, bread, griddle cakes, etc.

Kellogg's Bran, cooked and krambled, is made in Toronto, Canada and is sold by grocers everywhere. It is served by the leading hotels and clubs.

## BECOMES EXCITED, JUMPS FROM CAR

Waterborough, Queens Co., Oct. 6.—What might have been a fatal accident happened here Friday evening. Mr. G. Whitefield Smith, of Parrboro, N. S., was being driven in a car, his son at the wheel, when it backfired and Mr. Smith became suddenly excited, jumped from the car, which was running at twenty-five miles an hour and landed in the ditch, cutting a large gash just over one of his eyes and one of his cheeks was cut and also his tongue. That Mr. Smith escaped death is a miracle. Mr. Smith was taken to the residence of Dr. Dalton, a short distance from the accident and received surgical aid. Mr. Smith, wife, daughter and two sons were in the car on their way to attend the funeral of the nephew, Leonard A. Smith, who died suddenly at Chipman.
