 Mrs. Martha E. Farham, who was visiting her daughter, Mrs. G. L. Evans of West St. John, left this morning for Wolfville to visit another daughter, Mrs. D. R. Munro, before returning to her home in Boston. Although Mrs. Farham is eighty-two years of age she enjoys good health, retains the vigor of women much younger and travels alone.

A NICE OUTING.
 The office staff and department heads of the Corona Candy Company held their annual picnic yesterday afternoon and evening at Gondola Point. They were conveyed to the scene of festivities by automobiles. A ball game took up the greater part of the afternoon and, after an elaborate supper served by the ladies in the pavilion, Fred Kee looked after the games in the afternoon and Mr. Campbell was floor manager at the dance in the evening. The pleasure-seekers returned to the city a little before midnight.

LAST CAR CLUB.
 The weekly meeting of the Last Car Club was held last evening at "River-view," Pokok, the home of Mr. and Mrs. Caddell. Mr. Caddell was the host of the evening. A good number of members were present, also some guests. A whist drive was held and the game brought out keen and exciting plays and the prizes were well worth an extra effort. The fortunate winners were: Gentlemen's first prize, Mr. McLean; ladies' first, Mrs. Sibley; consolation prizes, Mrs. Post and G. Caddell. After the games refreshments were served by Mrs. Caddell and a musical programme was enjoyed. A hearty vote of thanks was tendered to L. Caddell, also to Mr. and Mrs. Caddell for the enjoyable evening spent and the members departed to catch the last car or jitney which ever was first available.

WHAT THEY SAY ABOUT BELVEA
 Upper Canadian Newspaper Comments on Victory at St. Catharines.

Of Belyea's victory at St. Catharines the Ottawa Journal's correspondent writes—
 "Belyea rowed in a boat made by his brother and was conspicuous in a jockey cap with a visor that stood out nearly a foot in front. He was backed heavily to win by New Brunswickers and it is said the entire crowd will carry about \$10,000 of Toronto, Montreal and Ottawa money. Belyea's time was not fast, as he did not appear to be extending himself."
 The correspondent of the Toronto Mail and Empire says—
 "Perhaps the greatest upset of the day was the defeat of Bob Dibble, of St. John, in the singles, when he was forced to follow Hilton Belyea, the St. John, N. B., champion, and W. H. G. Gilmore, of the Philadelphia Phillies, across the line. Belyea of St. John, the winner of the Eastern States regatta on July 4, was extremely confident that he would be able to dispose of all the other competitors, while nearly everyone outside supporters pinned their hopes on Dibble. At the start Steacy of Brockville, last year's junior winner, went into the lead followed by Belyea. Dibble and Gilmore, with the two Durans in the rear, and the Argo pair never figured in the race after the start. Belyea apparently took things easy the first part of the race and sized his opponents up. Shortly after the half-mile post he commenced to sprint and passed both Dibble and Steacy in easy fashion. Gilmore, who had been lying fourth, followed the winner up and went into second place, while Dibble passed Steacy. Belyea, despite the heavy home-made shell he was using, kept sculling away and with the reception of Gilmore, soon drew away from his rivals. Half a mile from home Dibble cracked badly and commenced to wobble over the course and it was seen that he was not the Dibble of old. Despite the attempt of Steacy to pull ahead of the defeated champion the places remained the same at the finish line. Belyea did not seem to be in the least fatigued as he crossed the line with a length of clear water between him and the second man. Dibble was three or four lengths back."

DIED ADDRESSING PYTHIAN KNIGHTS
 Leonard T. Rankin, Formerly of St. John, Passed Away in Winnipeg.

Many old friends will learn with regret of the death, in Winnipeg, of Leonard T. Rankin, son of the late Deputy Sheriff John Rankin of St. John. He was about sixty-five years of age and had been away from St. John some thirty years. Before coming here he was in the employ of L. C. Bowman, North Wharf. He was for some time in the immigration department of Winnipeg, but for the last ten years had been collector of customs in that city.

He is survived by his wife, an Ontario lady, and two sons and four daughters. The eldest daughter is married to a son of William Wheeler, formerly of St. John. Mr. Rankin leaves one brother, G. Fred Rankin of Boston, and two sisters, Misses Annie and Hattie Rankin of St. John, to whom sincere sympathy is extended by their fellow citizens.

A Winnipeg Canadian Press despatch says that Mr. Rankin dropped dead last night while addressing a meeting of the Knights of Pythias.

OUR SCENERY HAS INSPIRED THEM
 Furniture Makers, Touring Maritime Provinces, are in St. John Today.

A party of furniture manufacturers from Stratford, Ontario, arrived in the city last evening on a combined business and pleasure trip. The party includes Mr. and Mrs. J. S. Satter of the McLaughlin Furniture Company; Mr. and Mrs. Frank Trebble of the Kurdel Red Company; H. W. Strudley of the Inlay and Rattan Company; W. J. Anderson of the Stratford Chair Company; Charles Farquharson, of the Farquharson, Gifford Company; and W. Brown, of New Glasgow, eastern representative of the companies. Their object in visiting the east is to call on their dealers with a view to becoming acquainted and to look into the general situation, also to see this section of Canada which has such magnificent natural scenery. They journeyed from Quebec to Halifax where they spent three days with their business associates and looking over the points of interest. They then moved along the South Shore to Yarmouth and thence through Annapolis Valley to Truro. Later they went to Charlottetown, P. E. I. They motored all over the island after which they traveled through the Maritime provinces and last night arrived here. They say that the scenery in the provinces is magnificent and is so varied that it would attract tourists from all parts of America. They plan on seeing the beauties of the St. John river on Friday, when they will leave here for Fredericton by boat. They will remain one day in Fredericton and will then proceed to Montreal.

LOCAL BASEBALL
 St. Peter's vs. Commercial for the Belyea Fund— Other Games.

Arrangements have been completed for the big baseball game tomorrow evening between St. Peter's and the Commercial on the east end diamond for the fund for Hilton Belyea, rowing champion. Both teams will have the strongest line-up and the game will be a regular league fixture. Those in charge feel that citizens should turn out in large numbers to witness the contest as the receipts are to go towards such a worthy sport object. They point out that St. Peter's has already replaced St. John on the rowing map and his great achievements are the pride of our authorities and enthusiasts all over America. The game will start at 7:15 sharp and will continue till 8:45.

Last evening the Fair Vale baseball nine defeated the Chapel Grove Stars on the Belyea diamond by a score of 16 to 0. Edward Higgins and James McManus formed the battery for the winners and Edward Hansen and Gerald Fishery for the losers.

Tomorrow evening Fair Vale and Robesay will play a special match game on Robesay diamond and a collection will be taken up for the Belyea fund. The boys are in hopes that suburbanites will turn out in large numbers to witness the contest and do their part in helping Hilton bring new laurels to St. John.

The Imperials challenge the Fairvale Nationals to a game on the Crown street diamond at 7 o'clock this evening.

DEANERY MEETING.
 Tribute to Rev. Canon Kuhnring and Regret at His Departure.

The Anglican clergy of the St. John deanery met at Loch Leonard yesterday morning. Following a holy communion service, which was conducted in All Saints church by Rev. C. W. Follet, assisted by Rev. J. H. A. Holmes, breakfast was served at the Ben Lomond House. The members then met in business with Rev. Rural Dean W. H. Sampson presiding and the following clergymen present: Rev. Messrs. C. W. Follet, J. W. Millidge, Ven. Archdeacon Crowfoot, J. H. A. Holmes, W. Fair-Crowfoot, J. H. A. Holmes, Canon Kuhnring, A. Gabriel, J. Trescott, J. Young, Professor Sturley of King's College, and E. Kuhnring. After some informal business was transacted a passage of scripture was read in the original Greek. Professor Sturley who briefly addressed the gathering on the subject of the future prospects of King's College, Ven. Archdeacon Crowfoot paid a glowing tribute to the seal and devotion of Rev. C. W. Follet, who is soon to leave this city, and moved a resolution of regret at his departure and a wish for his fatherly happiness and success. This was unanimously adopted and Canon Kuhnring feelingly replied. Rev. C. W. Follet read a paper on the Orange Order and the Church, setting forth the principles and purposes of the order. A general discussion followed. Dinner was then served those present being the guests of Rev. Mr. Follet. The host was tendered a hearty vote of thanks moved by Rev. J. W. Millidge. After dinner a social hour was spent and the party then returned to the city.

GOING ON WELL AT PLAYGROUNDS

The playgrounds throughout the city are carrying on very favorably, according to Miss E. Heffer, superintendent of playgrounds. The children are being taught habits of crocheting, knitting and sewing and at the Aberdeen playground the boys, under the direction of the instructor, Harold Holder, are engaged in toy-making and jig-saw work. An experiment is being made on the Centennial playground with a portable awning which is to be used by the children as a shade when doing their basketry and other work. If the use of the awning proves a success, one will be placed on the Alexander grounds, which, like the Centennial grounds, have favoring shade spots. The Centennial playground has been handicapped by the illness of the instructor, Harold Williams, but the children have been well taken care of by a substitute from the Boys' Club.

The instructors at the playgrounds have been organizing ball teams of boys about eleven years of age. The boys of the Allison playground have issued a challenge to the youths from the Carleton grounds and the game is to be played on the South End diamond, Friday afternoon.

We're Not Admonishing

But we are advising you to have us examine, suggest and furnish an estimate for needed repairs or remodeling on your furs NOW, because during the summer months this work never costs as much as in the autumn, because we keep our work-rooms employed throughout the year, and when you require to use your furs or fur garments they will be ready for you in the autumn.

Many of your friends believe in the logic of these two reasons.
