PRESENTATIONS TO RETIRING TEACHER

Two Fine Gifts For Thomas Power in High School Today

An interesting feature of the exercises this morning in the High School was the expression of regret by the departure of Thomas E. Powers from the staff, and also of appreciation of his services and worth as a teacher. He has been a member of the staff since the High School was opened and his efficient services have been fully realized by all those with whom he has come in contact. That this is so was ably attested when two presentations were made to him, one by J. S. Myles, principal of the school, and one by J. Wilfred Tait on behalf of the pupils of the class of 1913, in connection with both of which sentiments of regret at his leaving and the best good will extended for his future.

Mr. Myles on behalf of the superintendent and teachers of the High School presented to Mr. Powers a handsome and valuable pair of field glasses, and Mr. Tait on behalf of the scholars of the class of 1913 read an address and presented a solid leather traveling bag. Mr. Powers responded feelingly, expressing his thanks, and as he concluded three hearty cheers were given by the large gathering of boys.

The address presented was as follows:—

Mr. Powers:—

We, the class of '13 have learned with regret of your decision to leave the teaching profession. During the time you have been with us you have caused us to respect you for your strict impartiality and the interest you have always taken in our welfare. No matter what the difficulty was, we always felt we had a friend in you, who was ever willing to assist us. As you go forth to a new sphere of endeavor, you go with the best wishes of the class, and we know that the same qualities which have contributed to your success in the teaching profession will enable you to realize your highest ambition.

As a tangible evidence of our goodwill, and esteem the class of '13 asks you to accept this traveling-bag, and when you have occasion to use it, may you think of the class of '13 of the St. John High School, who will ever remember you with the kindest feelings.

J. WILFRED TAIT,
Class 1913.

INSURANCE LOSS IN YARMOUTH \$35,000

Fire Did Less Than \$50,000
Damage is Report of Adjustors—Many Companies Interested

C. E. L. Jarvis and F. S. Whitaker, who acted as adjustors for the insurance companies interested in the Yarmouth fire, have completed their report. It shows that the total loss was less than \$50,000 and the insurance loss was \$35,000. This is a large loss for the companies compared with the total loss, but the people of Yarmouth were evidently well prepared for a fire, at least as regards insurance.

The losses are split up among more than forty companies, some of the companies' shares being as low as \$10.

QUINN GOES FREE

Frank Quinn, who was before Magistrate Ritchie in the police court yesterday on the charge made by Daniel Mitchell, who said that Quinn held his arms while another man assaulted, was before the court again this morning, and after the evidence of several witnesses was taken was acquitted. He said yesterday that he saw Mitchell and another man fighting in Sydney street, and that he merely went over and parted them. He was corroborated by several witnesses this morning. The witnesses who gave evidence were William Kynne, Frank Burton and Policeman Sullivan.

Alphonse Savard, who was arrested several days ago on the charge of stealing liquor from the C. P. R. shed at Sand Point, was sentenced to five months in jail with hard labor.

Alexander Brayley, charged with being drunk and shouting in Mill street, was fined \$8 or thirty days in jail.

Two prisoners charged with drunkenness were fined \$4 or ten days in jail, and another, charged with a like offence was fined \$8 or thirty days. One other also charged with drunkenness, was remanded.

FAIRVILLE LIQUOR CASE APPEALED

Taken Before Judge Landry Today—Probate Court Matters

On application of Geo. H. V. Belyeo, Mr. Justice Landry this morning made an order for a writ of certiorari returnable before the supreme court on the second Tuesday in February, to take up the proceedings and conviction of David Kesie, who was fined \$40 and costs by Magistrate Allingham, of Fairville, on charge of keeping liquor for sale contrary to the provisions of the liquor license act. The ground of appeal is that the defendant had nothing whatever to do with the liquor that was stored in his mother's barn.

In the probate court today the matter of the estate of Mrs. Bertha Louise Colwell, late of the West Side, wife of Charles E. Colwell, came up. She died intestate, leaving her husband and twelve children. On the petition of the husband joined in by George W. Noble, accountant, the two were appointed administrators. Real estate is \$1,000; personal \$800. W. H. Harrison is probator.

The matter of the estate of Michael McCarthy, victualer, was taken up. He died intestate in 1886. His wife Mary McCarthy was appointed administratrix, and she died without having transferred the title to a leasehold property. They had three children—Margaret McCarthy, Ellen, wife of Philip O'Connor, and John McCarthy. The two daughters transferred their interest in the leasehold to their brother. Both the daughters and their children have since died. In order now to give the title administration of leasehold, a petition was filed by John McCarthy. There is no realty, amounting to \$2,000. It has since been sold. E. T. C. Knowles, R.C., is probator.

In the matter of the estate of William D. Foster, the Royal Trust Company, the executor and trustee, filed further accounts with petition to pass them. A citation was issued returnable January 20 at eleven a. m. W. H. Harrison, is probator.

In the matter of the estate of William T. Pipes, late of Amherst, barrister-at-law, E. Bright Pipes and Edgar N. Rhodes, both of Amherst, who were appointed administrators of the estate within New Brunswick, filed their accounts with petition to pass them. A citation was issued returnable on January 20 next at eleven a. m. W. H. Harrison, is probator.

In the matter of the estate of George H. Oulton, Andrew Jack, the administrator, filed his accounts with a petition for passing them and an order for distribution. A citation was issued returnable on January 22 next at eleven a. m. MacRae, Sinclair & MacRae, are solicitors.

SUSSEX MAN IS NOW MAYOR OF CALGARY

Herbert A. Sinnott Scored Great Victory For Clean Government

Calgary exchanges announce the election of Herbert A. Sinnott, as mayor of that city by a majority of 2,200. He made the right one for clean government, and had opposed to him the liquor element, the fight against saloons and gambling joint men. Every leading newspaper of Calgary was for Sinnott, and his victory dominated Calgary for some time. Stanley G. Eytson, formerly of Annapolis, is another Kings county man, who will sit on the council board. Like Mr. Sinnott he had a big majority.

Calgary's mayor-elect is a son of the late David E. Sinnott, for many years councillor of Stuholm. He attended school in Sussex and later took up teaching. He was for some years principal of the Moncton school and about ten years ago went there for some time but resigned and went into real estate, in which he amassed a fortune. For some years he was admitted to the bar of Alberta. When it was decided by the citizens of Calgary to break the clique who controlled the city's affairs, Mr. Sinnott was selected to head the reform ticket.
