

# THRO' HORRORS OF WAR TIME IN PALESTINE

Miss Mary A. Butterfield,  
Missionary, Now at Meet-  
ings in St. Mary's Church.

Miss Mary A. Butterfield is a re-  
turned missionary from Palestine, hav-  
ing had eleven years of service there,  
including most of the war period.  
During the first two and a half years  
of that time she and two other lady  
missionaries labored under the fearful

Miss Butterfield in Syrian Costume.

strain of war conditions, plague of  
locusts, typhus, famine, etc., in a land  
controlled by the terrible Turk.  
When the United States entered the  
war, these three ladies and other mis-  
sionaries from Syria and Asia Minor,  
as well as all the American consuls,  
left the country, traveling overland  
through Turkey, Bulgaria, Austria,  
Switzerland and France to Bordeaux.

How smart women keep  
their skin soft and fresh  
IN CHAPPING WEATHER

Under a perfect hat properly worn your face must be delight-  
fully fresh and smooth even in chapping weather. A slight  
roughness, a hint of redness, would be rightly inexcusable,  
since this famous method has been developed that takes care  
of your skin.

To make your skin immune to cold and wind two things are  
necessary. First, just the right amount and kind of oil. And  
then unflinching outdoor protection. This method has become  
famous in almost every country.

A special cleansing that makes  
your skin marvelously soft

Use this cleansing cream that con-  
tains just the right amount and  
kind of oil—Pond's Cold Cream.  
It is so rich in a very fine light  
oil that its nightly cleansing keeps  
your skin supplied with just the  
oil it needs.

Then the outdoor protection  
famous in almost  
every country

Your skin in the morning is  
beautifully soft and supple after its  
nightly cleansing with this cold  
cream. Now when you go out of  
doors you must protect it from the  
wind and cold which would whip  
out the moisture and destroy its  
smoothness.

Pond's Vanishing Cream is world  
famous for its unflinching protec-  
tion. It contains the most effec-  
tive ingredient known to skin  
specialists for preventing rough-  
ening and cracking of the skin by  
severe cold. Even in the most chap-  
ping weather it forms a delicate  
but sure protection for your skin.

Never neglect to apply it before  
going out. Especially in cities  
where well-dressed women will  
not endure an unbecoming rough-  
ened skin, more Pond's Vanish-  
ing Cream is sold than all other  
kinds together.

Buy a jar or a tube of both these  
creams for 50 cents each in any  
drug or departmental store. They  
cannot encourage the growth of  
hair. The Pond's Extract Co.,  
146 Brock Ave., Toronto, Ont.

Grown from seed of the  
rare old Java and Mocha  
of days gone by.

## LOCAL NEWS

From there they sailed across the  
danger zone in the Atlantic, arriving  
in New York in August, 1917, three  
months after leaving Jerusalem.

Miss Butterfield spent six months  
lecturing for the Armenian and Syrian  
Relief Committee in the United States,  
and then returned to Palestine under  
a special commission of the American  
Red Cross, for relief work among civ-  
ilians, traveling this time via the West  
Indies, South Africa, and Ceylon to  
Port Said, and thence on General  
Allenby's new railroad to Jerusalem.

When the Red Cross closed out its  
work in Palestine, she resumed her  
missionary work under the Christian  
and Missionary Alliance, remaining un-  
til the work was well reopened and  
sufficient recruits from America had  
arrived. Then she returned to the  
United States for a prolonged fur-  
lough. Owing to congestion in trans-  
portation across the Mediterranean  
Miss Butterfield was brought home on  
a U. S. transport via the Pacific, stop-  
ping at Singapore, Manila, Nagasaki  
in Japan and Vladivostok in Siberia,  
and thence to San Francisco.

Since her arrival on furlough, she  
has been in deputational missionary work  
in the United States and Canada, tel-  
ling about her missionary and Red  
Cross work, her meeting with General  
Allenby, and other war experiences.  
Miss Butterfield is now speaking  
every afternoon and evening this week  
in St. Mary's church in Waterloo street  
at a convention being held under the  
auspices of the Christian and Mission-  
ary Alliance. On Saturday evening  
she will wear the Syrian costume—the  
dress worn by women in Bethlehem—  
and will tell some of her experiences  
on that strenuous journey overland  
through Turkey and Europe in war-  
time 1917.

Rev. A. W. Roffe, the Canadian  
superintendent of the Christian and  
Missionary Alliance, will also give an  
account of his remarkable tour through  
the Canadian Northwest last summer  
with Dr. Morris, principal of the Boyd-  
ton Institute in Virginia and a well-  
known southern orator. Mr. Roffe was  
also supported on this trip by the Al-  
liance Colored Gospel Quire. His  
account of their experiences is intense-  
ly interesting and one that every Cana-  
dian especially should hear. The Sat-  
urday night meeting promises to be  
both instructive and profitable.

Inspectors Henderson and Barton  
raided a house occupied by Nicholas  
Boychuk, of South Minto, yesterday  
and seized a quantity of beer. The  
owner has been ordered to appear in  
court.

Hugh Chisholm, of the Nashua  
Pulp and Paper Company, yesterday  
said that there was every indication  
that their plant would continue running  
indefinitely at full capacity to judge  
from present conditions in the pulp in-  
dustry. Mr. Chisholm arrived in the  
city yesterday from New York.

The two boys, John Cunningham of  
Chatham and Harry King McParlane  
of St. Andrews, who recently escaped  
from the Boys Industrial Home at East  
St. John, were arrested on the train  
between Wrentham and St. An-  
drews yesterday. Detective Saunders  
left this morning for St. Andrews to  
bring the boys back to this city.

Reports in connection with the  
Health Centre Carnival in the Arena  
last week were heard last night at  
a meeting of the ways and means com-  
mittee with Mrs. E. Atherton Smith  
presiding. A detailed report of the  
work showed a grand total of receipts  
of \$1,016.72 and was deeply gratifying  
to the officials of the Centre. Reports

on the life membership campaign were  
also gratifying.

A reception was held last evening at  
the home of P. M. Levine, King street  
east, in honor of Mr. and Mrs. William  
J. Paton, who were married on Tues-  
day. Mrs. Paton is a sister of Mr.  
Levine. The reception was held prior  
to their departure for their future home  
in Halifax and many friends of Mr. and  
Mrs. Paton took advantage of the affair  
to wish them every happiness together.  
Among those present last evening were  
Mr. and Mrs. Ruben Budovitch, of  
Fredericton; J. Linder and E. Rafuse,  
of Halifax, and many others.

## HYDRO SCHEDULE OF RATES PRESENTED

Estimates and Plans for  
Street Lighting Completed  
by Hydro Commission —  
More Light for Less Ex-  
pense.

A meeting of the Power Commission  
of the City of St. John was held yes-  
terday afternoon in the committee room  
at City Hall with Ronald A. McAvity  
presiding. It was decided to adopt the  
schedule of rates drawn up as fol-  
lows:—

**Domestic Rate.**  
Floor area charge—8 cents per 100  
square feet.  
Kilowatt hours charge—4 cents per  
first three kilowatt hours per 100  
square feet floor area.  
Plus 2 cents for all additional.  
Ten per cent. discount for cash  
within ten days.  
Minimum floor area—1,000 square  
feet.  
Maximum floor area, 3,000 square  
feet.  
**Commercial Rate.**  
First thirty hours' use connected  
load, 5 cents.  
Next seventy hours' use, connected  
load, 4 cents.  
Ten per cent. discount for cash  
within ten days.  
**Power Rate.**  
\$1 per h.p. per month connected load  
or maximum demand.  
First 50 hours' use connected load,  
3.6 cents.  
Second 50 hours' use connected load,

TORONTO

2.4 cents.  
Balance, 1.5 cents.  
Less 10 per cent. for cash within  
ten days.  
The matter of street lighting was  
taken up and the chairman announced  
that the engineers had drawn up and  
prepared estimates for a system to  
consist of ninety-seven ornamental  
standards and 1,500 brackets of 250  
watts each, the total operating cost of  
which would be \$40,687.15, or nearly  
\$3,000 less than was paid to the Power  
Company last year. This system, he  
said, would give ten times as effective  
light in the parts where the ornamen-  
tal standards were erected and three  
times as effective lights in the other  
parts of the city as the present ones.  
The commission passed a motion re-  
commending this plan to the City Coun-  
cil and requesting authority to go  
ahead with the construction.  
A motion was passed giving author-  
ity to the chairman and account-  
ant-secretary to jointly sign checks for the  
commission.

Committee, reported that the commit-  
tee had advertised for tenders for the  
Indian town-Lancaster ferry service and  
received one tender for a gasoline boat,  
which was unsatisfactory to the com-  
mittee and the matter was referred to  
the ferry commissioners.  
Commissioner Bullock, as chairman

of the ferry commission, reported that  
the tender had been withdrawn as the  
persons tendering could not qualify  
for service. He said that under pre-  
sent conditions the ferry would cease  
to operate on May 1.  
The report was received and adopted  
and the Council adjourned.

## REJECT PLAN FOR PERMANENT ASSESSORS' BODY

Proposed Bill Before Muni-  
cipal Council—Fire Pro-  
tection in Lancaster—The  
Indian town Ferry.

At a special meeting of the Municipal  
Council yesterday afternoon a bill re-  
garding assessments in the county was  
considered, and, after some delibera-  
tion, those sections referring to the  
appointment of a permanent chairman  
and board of assessors were struck out,  
leaving only eight sections of the or-  
iginal seventeen. The bill as it now  
stands provides for the freedom from  
taxation of lands used as playgrounds,  
the right of appeal from assessment  
first to the board of parish assessors  
and then to the judge of the St. John  
County Court, and makes the serving  
of notices of taxation, through the mails  
legal.

**Lancaster Fire Protection.**  
An act which would authorize an  
issue of bonds for the purchase of fire  
equipment and the erection of fire sta-  
tions in Lancaster was also presented,  
but as the form of the bill was not in  
accordance with the original intention,  
the matter was referred to the bills  
and by-laws committee, with power to  
act.

**Bay Shore Smoke Nuisance.**  
A bill under which the C. P. R.  
would be compelled to erect a 200-foot  
chimney at the Bay Shore round-  
house to carry off smoke and gasses  
from locomotives was presented by  
Councillor O'Brien, but after discussion  
it was decided that the councillors from  
Lancaster should take the matter up  
with J. M. Woodman, district superin-  
tendent of the C. P. R., to see if it  
could not be attended to without legisla-  
tion.

**Lancaster Survey.**  
Councillor O'Brien presented a resolu-  
tion that a bill be prepared to be  
presented to the Legislature at the  
coming session providing that the  
councillors of the Parish of Lancaster  
be empowered to prepare in perma-  
nent form books, maps and plans  
showing in detail, as far as possible,  
all lots, pieces and parcels of land,  
buildings and erections thereon, to-  
gether with owners thereof, at an es-  
timated cost of \$14,000, the cost to be  
paid by assessment in the Parish of  
Lancaster.  
There was some discussion on the  
matter but, as the resolution was not  
seconded, the matter was allowed to  
drop.

Lancaster Ferry.  
Chairman Wignore, of the Finance

## Our Baker Has Tested The Flour You Buy

EACH day's milling of Quaker Flour  
must prove its baking perfection be-  
fore it leaves the Quaker Mills. It un-  
dergoes hourly tests during the milling  
process.  
It must then pass its most exacting critic  
—our Master Baker. From each day's  
milling he bakes bread. His loaves must  
be perfect in size, colour, texture and  
flavour.  
Use Quaker Flour and you will always  
be certain of success in baking. "The  
happy baker uses Quaker."
