PLAN CLOSER CO-OPERATION

BETWEEN Y. M. C. A. AND THE VARIOUS LOCAL CHURCHES

The members of the Evangelical Alliance assembled on Tuesday afternoon in the Y. M. C. A. and met C. W. Bishop, the national secretary of that body. He addressed the gathering upon the steps being taken towards an acceptable basis to be applied in any desired center for closer co-operation of the various Protestant demominations and the association.

A committee consisting of representatives of each of the denominations in the Y. M. C. A. is working out a suitable basis at present, and hopes to have the work completed in the near future. The Alliance expressed itself in accord with the idea and is prepared to consider the application of this basis to conditions in St. John as soon as it is possible.

The Alliance unamimously decided that on Sunday, October 12, all churches affiliated under it would revert to Standard time.
