CONCERT FOR THE ORPHANAGE FUND

Everything promises well for the success of the Protestant Orphanage fair next month, and now with the arrival of the warships in the harbor the committee in charge of the fair has another big event that it will be able to stage for the benefit of the orphans. It was announced at a meeting of the fair committee in the Orange Hall last night that the famous concert party of H.M.C.S. Aurora would give a concert for the orphanage fund. The announcement was received with great delight, as it was felt that the entertainment would be a very popular one and would be a real treat. The concert parties of some of the vessels calling here in the winter port season were remembered most favorably, and the Aurora claims to have the best concert party yet. It was decided to secure the Imperial theatre if possible and to have the concert instead of the second showing of the pictures. For the fair it was decided that St. Andrew's rink should be secured and that an automobile should be one of the big prizes. As some people might prefer a chance on the door prize, it was agreed that the automobile tickets should be accepted as door tickets. W. M. Campbell presided at the meeting.

Reading The Cups

To amuse yourself and friends by reading the omens in a tea cup, start by leaving a teaspoonful of tea in the cup, and have the curious one revolve the cup three times and place it upside down on the saucer. Mrs. Allida Sherman.

Mrs. Allida M. Sherman whose death occurred in St. John last week was in her seventy-ninth year. She had been failing for some time and the end, which was not unexpected, came from general weakness due to her age. She was the youngest daughter of the late Charles McCready of Penobscot, having been born there in 1841. She lived for a time in Sussex and at Hatfield's Point, and afterwards spent some years in Alberta, returning to St. John a few years ago. J. E. B. McCready of Charlottetown is a brother.

The funeral was held at Penobscot on Friday, Rev. Abram Perry officiating. Mrs. Sherman was greatly esteemed, and a host of friends learned of her death with keen regret.

W. Neely, of Melrose (Mass.); Mrs. D. A. McAdam, of Montreal; and Mrs. J. A. Moore, Mrs. T. W. Moore and Mrs. William McIntosh, all of this city. The funeral will be held at the residence of her father, 125 Pitt street, on Friday afternoon at 2.30. Interment will be in the Cedar Hill cemetery.

Charles Frederick Brown.

His many friends will be shocked to learn of the death of Charles Frederick Brown, which occurred yesterday at his residence, 36 High street. Mr. Brown had been in failing health for some time. He was a well known merchant of the city and had conducted a grocery business in Main street for several years. He had been a member of the St. John fire department for the last thirty years and was sub-chief of the North End district. He was also prominent in Masonic circles. He is survived by his wife, four sons, two daughters, two brothers and one sister. The sons are William L. H. Cecil, C. Walter and P. Yule, and the daughters Mrs. J. L. Heans and Miss Edith Brown, all of St. John. The brothers are W. K. Brown, of this city, and J. Thomas Brown of Halifax. The sister is Miss Charlotte Brown, also of Halifax. Notice of the funeral will be given later.

Child of Walter W. Brown.

Many friends will sympathize with Walter W. Brown, of 319 City road, in the death of his infant son, Norman Douglas, aged nine months, which occurred last evening at his father's home.

Mrs. M. C. Denton.

Mrs. M. C. Denton, of Digby, passed away at her home last evening after an illness of less than twenty-four hours. Her husband was in Picton and arrived home just in time to see her alive. She was very prominent in church work in Digby. She is survived by her husband, one son, Sydney, her mother, and a number of brothers and sisters.

Mrs. Warnock.

The flag was at half mast on the schooner Charles C. Lister yesterday. A telegram was received yesterday morning from her commander, Captain Warnock, saying that his wife had died at Calais. Much sympathy is extended to the captain, who is well known at this port.

MOST REMARKABLE DEPORTATION KNOWN

Twins Not a Month Old, Found in Suit Case, Back in Windsor.

Windsor, Sept. 22.—The nameless twin girl babies found last Thursday evening on the Detroit-Windsor ferry boat were deported to Windsor by order of Dr. A. F. Cresswell, Chief of the United States Immigration Service at Detroit. The Canadian Immigration Department has agreed that the onus of proving birthplace of the infants rests with the dominion.

The twins, who are now known as Nos. 1 and 2, were received at the Windsor ferry dock by Inspector Orval Adams, in charge of immigration here. They were registered by Officer Clarence Mason and taken to the Shelter of the Windsor Children's Aid Society, pending the outcome of the search for the woman who abandoned them in a suitcase.

The deportation is the most remarkable in the history of the United States Immigration Department at Detroit, in that the twins, scarcely a month old, are the youngest persons ever subjected to such a ruling by immigration authorities.

LEARN HOUSEKEEPING IN NEW YORK SCHOOLS

New York, Sept. 22.—On the assumption that most girl pupils some day will marry and make their homes in small city apartments, public schools here are being equipped to teach them how to keep house economically and efficiently under those conditions.

Part of the equipment of the domestic science department of each of the new standard school buildings opened this year, is a model flat, filling the space of one ordinary schoolroom and including a kitchen, living room, dining room, hall, bedroom and bath.

Adjoining the model flat is a large cooking room and three small kitchens, separated by railings, the entire unit providing for the instruction of 40 pupils at once.
