

TWENTY-SIXTH ANNUAL REPORT
OF THE
FRUIT GROWERS' ASSOCIATION OF ONTARIO

To the Honorable John Dryden, Minister of Agriculture :

Sir,—I have the honor of placing before you for approval the Twenty-Sixth Annual Report of the Fruit Growers' Association of Ontario. I believe you will find it to contain information of great value to Ontario fruit growers, on fertilization of flowers in orchards, fungi and insects and their remedies, new fruits, score cards for judging fruits, prevention of fraud in fruit packing, and numerous other subjects.

The interest shown in our Orillia meeting was unprecedented. Our work is enlarging on every hand to such an extent that our finances are taxed to the utmost to meet our requirements.

I have the honor to be,

Sir,

Your obedient servant,

Grimsby, January 7th, 1895.

L. WOOLVERTON,
Secretary.
