AT CEDAR SPRINGS

The Fruit Growers Meet and Pass Important Resolutions

Concerning the Extermination of the San Jose Scale-Want More indemnity For Trees Destroyed.

Destroyed.

At a meeting of the fruit growers of Cedar Springs held on the lith of Sept. it was moved by Dr. J. McCuliy, seconded by Jas. C. McCuligan, that W. C. Ranson take the chair and J. M. Taylor act as secretary of the meeting.—Carried.

Mcrevi by Charles McGuigan, seconded by G. H. Johnson, that we, the fruit growers of Cedar Springs, do hereby ask the government to take im mediate steps to stamp out the San Jose scale in this locality; that we find it is almost impossible for the inspectore to go from orchard to orchard without carrying the scale on their clothes and that they (the inspectors) should use the greatest care. We further recommend that set less than one hat the value should be appointed in each locality where the scale is found to assist the government inspector in valuing the trees to be destroyed and it they, the two inspectors, cannot agree as to the trees to dispute shall have the power to appoint a third person to inspector to decide as to the trees in dispute shall have the power to appoint a third person to inspector to decide as to the true value of the said trees or orchard and to assist the said in spector to decide as to the true value of and trees or orchard as dispute the besaid trees or orchard in dispute which valuation shall be final.—Carried.

A copy of this resolution was ordered to be sate to T. Levets. M. P. D.

IILBURY.

Sept. 15.—Miss Ricech is returned take charge of Powell & Co.'s milliner

apparations for the position of a received.

A POPULAR TEACHER.

The pupils of Leslie Shepley's room at the Central School gave nim a fruit surprise yesterday. (When he returned at noon he found his table laden with fruit. In the centre nois a large fruit dish laden with and er, white and the grapes, while arranged around the basket and covering the whole table, with an array of grapes, plams apples and peaches. The cotlection made a very pretty picture. Mr. Shepley invited the other teachers in at intermismission, to help him dispose of the presentation. hazard, hitor miss work here. Nothing slighted Nothing overlook d that would help to make this the most useful Mantle department in the region. Only a few of the choice ideas get a place in print.

dress goods is amounced by Thomas Stone & Son, for Wednesday next and will continue therefrom to the end of the week, The Atlanta some a Son, for weathersty heat and will continue therefrom to the end of the week. (The full opening of this enterprising establishment has become universally recognized by members of the fair sex as one of the leading fashion, and the ensuing display prunises to edipse all its predecessors. The large establishment is now being elaborately prepared for the event, the new stock in every line is complete and up-to-date and the large sales departments are putting on their gala attire. Messers. Stone & Sons extend a cordial invitation to their many patrons as well as the vicinear generally to visit their typning heat week.
