

LABOR'S FUNCTION

AS FAR AS PROSPERITY AVENUE

Driver of Non-Union Cab: "Cab, Lady---Cheapest drive in town---Jump in, Lady!"

Miss Canada: "No, thanks. I'm taking that up-to-date Co-operative Taxi with the I.L.P. Chauffeur. It's safer. The Driver doesn't work long hours---His Eye is Clear and His Nerve is Steady. Your Cab is a bit wobbly from travelling in the Old Ruts of Party Faction. For Safety, Speed, and a Smooth Trip I'll take the Taxi along Good Will Boulevard to my Destination on Prosperity Avenue."
