DECLARES FOR FEDERAL CONTROL OF RESOURCES

Question of Public Interests as Against Special Predatory Interests, He Says

St. Paul, Minn., Sept. 6 .- Col. Theoonel began the work of altering his speech, to include the crusade he intends to make in favor of the federal action of the congress. Roosevelt noted the Taft promise to present state upon what they have discovered concerning the nature of the affliction.

The agreement also provides for the making exhaustive study of its causes and cure, will make reports upon what they have discovered concerning the nature of the affliction. rights to congress and it is expected

After an hour's hard work over the speech he automobiled to St. Paul, where he reviewed a parade of Spanish war veterans. An escort of members of Roosevelt clubs accompanied the former president and a guard of Rough-riders in uniform formed part of the escort. Wherever he went, he was cheered by the people that lined the streets to get a glimpse of him.

LOCAL REALTY IS IN DEMAND

AMERICAN BUYERS INVESTING LARGELY

> Properties at Good Prices

The demand for local realty continues brisk. A number of buyers from and a number of good things are being picked up by them for speculation and investment purposes. One agent sta that he has made sales to New York and Chicago men within the last few days and that he knows personally a number of capitalists who are con here, or are already in the city. This is having a good effect on the market The sale is reported through L. W. Bick, of the triangular, unoccupied prolots and was sold for \$16,000. It is un derstood that the property is to be used for an apartment house site, it being one of the finest for this purpose in the city. The view from there is magnificent and it is so near centre of the city that it is most desirable in every way. Another sale recently made is the house and lot formerly owned by Mrs. Englehart at the corner of Superior and Government street. It has been purchased by Mrs. James Anderson
