WAR-CLOUD LOOMS  
IN NEAR EAST  
MILITANT PHASE OF  
EUROPE'S "SICK MAN"  
Armenia, Danger Point of Con-  
flagration Between Russia  
and Turkey.

Tiflis, Feb. 17.—Reports received here  
from Armenia declare that all the  
Redifs or Turkish army service force  
in Van Mush and the other vilayets of  
Asia Minor, have been called to the  
colors and are proceeding there for the  
purpose of protesting in every possible  
manner against the warlike plans of the  
Sultan. The league holds that war would  
be especially disastrous at the present  
time, as there is a famine in Asia  
Minor.

At Tiflis the apprehension of hos-  
tilities has not abated. The Russian  
military authorities have ordered that  
all horses in the Caucasus suitable for  
military purposes be registered. The  
doctors of Tiflis held a meeting and  
volunteered their services in case of  
war.

The concentration of Turkish reserves  
on the Persian and Russian frontiers  
in Asia Minor, if correct, is an outcome  
of the border difficulty with Persia.  
Turkish troops have crossed the Per-  
sian frontier in the vicinity of Urumiah  
and committed depredations. Russia,  
under her treaty obligations to Persia,  
has objected to this, and commenced  
the concentration of a strong force on  
the frontier of the Caucasus.

SIX DAY BICYCLE RACE.  
Montrealers Entered for Big Boston  
Contest.  
Boston, Feb. 17.—The teams composed  
of the foremost followers of the pro-  
fessional bicycle game in this country,  
will start to-night on a six-day race  
on the saucer track of the Park Square  
Coliseum. The riding will occupy two  
hours and one-half each evening with  
the exception of Saturday, when the  
riding will continue from 2 p. m. to 10  
p. m. Among those entered are Chas.  
Holbrook and Joseph Halligan, of Mon-  
treal, and N. L. Anderson and Carl  
Vanoni, of Denmark.

Toronto, Feb. 17.—The Roman Catholic  
clergyman refused to conduct the funeral  
services this morning of James J. Fee-  
chey, who shot himself after attempting  
to kill his wife. A ceremony however, was  
performed by the Canadian Order of For-  
esters which defrayed all expenses. Mrs.  
Feechey will get \$1,000.

Stockholm, Feb. 17.—The relations  
between Sweden and Russia are decid-  
edly strained at present. The tension has  
arisen because Russia insists upon being  
released from the agreement made when  
Sweden surrendered Finland, that no  
naval stations or fortifications should  
be established on the Finnish coast  
adjacent to Sweden. The part taken  
by Russia in the Norwegian Integri-  
ty treaty and her present attitude  
on the Baltic "closed sea" question,  
also have greatly irritated Sweden.

It is believed in some quarters here  
that Germany will adopt drastic meas-  
ures against Denmark if this state re-  
fuses to join Germany and Russia  
against Sweden in the efforts to make  
the Baltic "mare clausum."

DASTARDLY CRIME.  
S. P. Railway Official Murdered and  
Body Placed on Track in  
Alabama.

Birmingham, Ala., Feb. 17.—Special  
Agent J. Crawford, of the Southern  
Pacific Railway, was shot by unknown  
perps and the body was placed on  
the tracks at Twenty-seventh street  
where it was run over by an incoming  
passenger train last night. No clue has  
been found as to the perpetrators of  
the crime.

London, Feb. 17.—Father Bernard  
Vaughan, brother of the late Cardinal  
Vaughan, preaching in the Jesuit  
church here yesterday, during the  
course of a powerful plea in behalf of  
the bill which will come before the  
House of Commons this week against  
"sweat-shops," gave a graphic illustra-  
tion of the manner in which the poor  
workers of the East End of London  
are compelled to live.

CHINA TO DRIVE  
OUT FOREIGNERS  
WILL PURGE EMPIRE  
OF "THIEVING" NATIONS  
Rev. N. G. Poon Chew's Tale  
of Yellow Army Number-

San Francisco, Cal., Feb. 17.—At a  
meeting in the Young Men's Christian  
Association headquarters the Rev. N.  
G. Poon Chew, editor of the Chinese  
World, told his audience that China  
was raising an army of 1,000,000 to drive  
the European nations from the empire.  
"But she will never be a menace to  
America," said the editor, "because  
among other things we have learned  
recently is that the United States is  
the only nation on earth with a con-  
science."

CIRCUS MAGNATE DEAD.  
New York, Feb. 17.—William Sells,  
the last of the brothers who originated  
the famous Sells brothers circus com-  
bination, died suddenly in his apart-  
ments in West 35th street early to-day.  
He had been ill for several weeks but  
his condition had been improving  
steadily and it was believed he was  
on the road to recovery. Early this  
morning he had a sudden change for  
the worse and died before a physician  
reached the house. Gastritis was given  
as the cause of death. He was 42 years  
old.

WILL LIGHT CITY  
BY ELECTRICITY  
LADYSMITHIANS ARE  
FAVORABLE TO SCHEME  
Building Activity and Increase  
Population in Island  
Town.

Ladysmith, Feb. 15.—It really looks  
as though there were lights ahead of  
Ladysmith. During the week, under  
orders of the city council, a man has  
been making a personal canvass of the  
residents of the town to ascertain wheth-  
er they were in favor of a lighting  
scheme, and, if so, how many lights  
they would take provided the rates  
did not exceed a certain figure. The  
canvasser, so far as he has gone, has  
certainly got data enough to justify the  
installation of an electric lighting  
plant. The plan of the council at pres-  
ent is, so soon as they can learn ap-  
proximately how many lights will be  
required, to ask for plans and esti-  
mates from a number of firms. While,  
of course, no action has as yet been  
taken, the council will probably submit  
to the citizens a by-law for a city-  
owned plant. If the proposition is turned  
down, then the council will grant a  
franchise to a private company on con-  
ditions. Meantime, on the way for  
the other, the prospects for a lighting  
system are brighter than ever they have  
been before.

ANTI-CLERICAL MOB  
Bitter Campaign Raging Round  
Religious Teachings in  
Schools.

Rome, Feb. 17.—A bitter campaign is  
going on between the supporters of re-  
ligious teachings in the government  
primary schools and those who are  
opposed to it. This question  
will come up for discussion in the  
chamber of deputies this week. In the  
meantime the clericals are sending to  
the chamber petitions, with thousands  
of signatures, for the maintenance of  
Bruno's statue stands, but when the  
clericals are contending that the gov-  
ernment must keep entirely outside of  
any creed.
