"FAUST" AT THE REDMOND.

Goethe's Masterpiece Received Capital Treatment Monday Night.

Monday evening's presentation by the Watson Company of "Faust" came as a pleasant surprise to those who were a bit in doubt as to the merits of a production of that play at the low prices of adnission charged at the Redmond. The bell. Watson Company, however, dispelled all uncertainty by placing before the public perhaps one of the finest bills ever seen read a first time: n this city at popular prices. In the name part Mr. Pollard was excellent. He gave a most pleasing performance of really difficult role. Mr. Stevenson repeated his former successes in the role of Mephisto, playing it in a finished man-ner. Miss Roberts, as Marguerite, scored again as an emotional actress of the Act."
first order, and Mr. Watson completed By H the list of principals with a fine rendition of Valentine. The story of the play 1901. is too well-known for any comment, suffice it to say that as presented by the Watson players it will doubtless enjoy large houses for the remainder of the

A feature, and a decided feature of the presentation, was the excellent stage furnishings, scenic equipment and the the production was presided over by Andrew Lydon, of the Redmond staff, ably assisted by the property master, Frank Hall. The garden scene, the electric duel and the brocken scene were carried to a point of efficiency solder scene. ried to a point of efficiency seldem seen taxed as v on stages of the size. Mr. Lydon and upwards? in making "Faust" a success in Vic-

## INTERESTING LECTURE GIVEN ON TUESDAY

On "Secrets of The Bastile," by M. Funck-Brentano-" The Man in The Iron Mask."

M. Funck-Brentano's lecture at Instiute hall Monday was a great treat to to many who are fairly familiar with the language. The Victoria branch of L'Alliance Française is to be congratu-Votes of thanks to the retiring officers and ladies' committee brought the meetlated on its enterprise in bringing to the city so distinguished a gentleman. It is understood that the receipts did not meet the expenditure, but the society did not expect that they would, and will willingly supply the deficiency. It was noticed with much regret that there was an al-Of Victoria District Sunday School Asmost entire absence of the recognized

Frauds Upon Creditors.

The bill stood over for further consideration.

Soughees Bill

The Songhees Indian Reserve Bill ame up on report, when Speaker Pooley gave his decision on the point of order reserved from Friday as to whether the amendment of W. G. Cameron was in order. The Speaker held that the argument against this amendment that it was dictating a policy to the government. was Stuart Henderson in the chair, not well founded. The whole bill once J. R. Brown introduced an am was open to amendment. He held that the amendment was in order.

given said: presume, Mr. Speaker; and reverses your own decisions

The Speaker's decision in full is as fol-

On Friday, the 10th March, instant, the Hon, the Chief Commissioner moved the adoption of the report of bill (16), intituled "An Act respecting the Songhee Indian Reservation, Vancouver Island." Mr. Cameron moved the following

amendment thereto, viz.: "Section 2, lines 3 and 4-Strike out the word 'such,' between the words 'upon' and 'terms,' in the third line, and strike out the words 'may be deemed advisable' in the fourth line, and insert the "To add the following as sub-sections

"'(1.) For a free grant to the city of Victoria of the twenty-five acres (more or less) of the reserve lying to the north of the Esquimalt road, such land to be used for public park purposes, upon such terms and conditions as the Lieut.-Governor-in-council may prescribe:

'(2.) By giving to the city of Victoria the first right to purchase or acquire the seventeen and one-half acres the payment of a \$2 gun license by per-(more or less) of the said reserve lying to the south of the Esquimalt & Nanaimo railway right of way, upon such erms and conditions as may be agreed why something could not be obtained upon between the city and the Lieut - in this way in order to aid in the mainovernor-in-council:

"'(3.) By a free grant to the city of Victoria of sites for purposes of (a) public school or schools, (b) fire hall, (c) empt, who fed the game, he was not exchange which was made.

Amending Acts.

Receiv three public landing places, including wharves and buildings, upon such terms and conditions as the Lieut.-Governorn council may prescribe:

as provided by the Land Act."

ing a policy to the government, by set- the practice. forth the manner in which they should deal with certain crown lands. which it was not competent for any private member of the House to move. There was considerable argument upon this question and a number of precedents

This is a bill brought down for the purpose of enabling the government to deal with a specific piece of land, and set out the terms and conditions under which it should be disposed of. This bill was introduced by message

from His Honor the Lieut.-Governor, and the whole subject-matter of the bill was submitted for the consideration of the House. In committee of the whole House,

amendments may be made in every part of the bill, whether in the preamble the clauses, or the schedules (May, 457). An amendment must be coherent and ensistent with the contents of the bill (May, 458).

When the bill, as amended by the commay be added, and amendments made (May, 466).

In this case the bill has been submitted message, and the whole bill is before the House for consideration; the amendment is coherent and consistent with the amend the 'Highway Traffic Regulation | contents of the bill and does not propose to interfere with the general policy of the government, but its purport is confined to mend the Wellington Receivership Act, the specific lands dealt with by the bill, and I am of opinion, therefore, that the amendment is in order. CHAS. E. POOLEY.

Victoria, 13th March, 1905.

The amendment then came to a vote, which was a straight party one with several members absent. The divisions

On Mr. Cameron's amendment to section 2 of the bill, viz.: "Section 2, lines 3 and 4-Strike out

the word 'such,' between the words Indian Reserve bill, J. A. M 'upon' and 'terms,' in the third line, and moved the following resolution: taxed as wild land at \$10 an acre and visable' in the fourth line, and insert the government should immediately procure for the Indians now on word 'follows' at the end of the sec-

The House divided. The amendment was negatived on the following division: Yeas—Messrs. McInnes, Drury, Murphy, Evans, Tanner, Oliver, J. A. Macdonald, Henderson, Munro, Paterson, Wells, Hall and Cameron—13. Nays-Messrs. Hawthornthwaite, Wil-

liams, Tatlow, McBride, Wilson, Cotton, Ellison, Bowser, Fraser, A. McDonald, Green, Fulton, Garden, Taylor, Young, Gifford, Shatford and Grant-18. On Mr. Cameron's amendment to add the following as sub-sections to sec-

tion 2: "1. For a free grant to the city of Victoria of the twenty-five acres (more or 1. Is it the intention of the government provide in the estimates for the salary f a teacher for an assisted school at oda Creek or at Pickard's, Alexandria?

> A number of sections were left ove for further consideration. Explosive Bill.

The bill respecting the manufacture and sale of explosives was reported and read a third time.

Benevolent Societies Act.

W. J. Brown in moving the second reading of the bill to amend to the Bene volent Societies Act explained that advantage had been taken of the Benevol ent Societies Act to break the law. the present time in connection with saloons, etc., clubs were organized and liquor was sold during prohibited hours and gambling carried on. In Vancouver such organizations existed including Japanese and Chinese clubs, and other organizations. This worked against the interests of those who held licenses and carried on a legitimate business. His bill proposed to put it in the power of the government to cancel the articles of inmittee, is considered, the entire bill is corporation of such organization when open to consideration and new clauses good reasons existed for believing that the law was being violated. This was in keeping with legislation in Ontario and

The bill passed its second reading. Companies Mortgages.

The bill to provide for the registration of companies mortgages was committed with J. D. McNiven in the chair. The bill was reported complete with amendments.

The House then adjourned.

Victoria, March 14th Prayers were read by Rev. Dr. Camp-

Dentistry Act. A bill to amend the Dentistry Consolidation Act introduced by W. J. Bowser was read a first time.

Songhees Reserve. On the third reading of the Songhees

Indian Reserve bill, J. A. Macdonald a new reserve for the Indians now on the Songhees Indian reserve, which new reserve should be satisfactory to the said Indians and to the Dominion government, and facilitate the removal and settlement of said Indians upon said new reserve; and that the question of the disposition of the lands now forming the Songhees Indian reserve be not now considered, but that the same be dealt with by this House at. the session of the same following the removal of said Indians as aforesaid, in a manner which will project the city of Victoria in the matter of park lands; give said city control of part of the southern end of said reserve for wharves and other harbor facilities; provide terminal facilities for transportation com-

"3. By a free grant to the city of Vic-oria of sites for purposes of (a) public John Oliver referred to the journals of 1902 to show that in connection with a railway subsidy act an amendment was

defeated on second reading, and on the third reading of the bill it was recommitted and the same amendment carried.

Premier McBride held that the same latitude was given with respect to mov-ing amendments on the third reading as on the second reading. But it was an the law for preventing Frauds Upon Creditors by Secret Bill of Sale of Personal Chattels, Hon. Chas. Wilson introduced an amendment providing that a transfer or assignment of a registered bill of sale need not be registered.

The House divided. The amendment was negatived on the following division:
Yeas—Messrs. McInnes. Drury, Murphy, Evans, Tanner, Oliver, J. A. Macdonald, Henderson, Munro, Paterson, bill of sale need not be registered.

Wells, Hall and Cameron—13.

Now Meet Land Act.

The House divided. The amendment amendment could not be introduced again. He contended that it would be out of the spirit of the rules to have a proposition brought up which had a few days before been decided upon. He upbraided the opposition for bringing up established rule that once brought up an braided the opposition for bringing up

this matter again. Mr. Macdonald said it seemed impos sible to even discuss a rule of order in the House without calling from the Pre mier the same "clap-trap." It might just as well be agreed that ther be no third reading to a bill if the Pre-

mier's contention was correct. The Speaker maintained the resoluon was out of order. John Oliver then moved that the bill oe read a third time three mo In support of this he said that it was a dangerous thing to put in the power of the government the disposing of this property. It was handing over a property valued at about \$250,000 to the absolute control of the government to dispose of.
He alluded to the fact that the property had been brought to its present value.

House of the government to dispose of the state of t He alluded to the fact that the property had been brought to its present value largely by the city of Victoria. The city had a right to recognition in various Munro, Paterson, Wells, Hall and Camways in the discretized for the property had been brought to its present value are followed by the city of Victoria. The city had a right to recognition in various Munro, Paterson, Wells, Hall and Camways in the discretization of the property had been brought to its present value are followed by the city of Victoria.

had a right to recognition in various ways in the disposing of this land. He pointed out that the government istake in the draft bin. He said that within the past year had in a land transaction acquired a somewhat notoriline of section 2, the following words: ous reputation. In that instance the John Uliver submitted an amendment | Premier and his colleagues went outside to the minister which provided for a close season on Sunday, thus prohibiting land. It was surely not wise to put the disposition of land in the hands of this

In Vancouver there was an example of the C. P. R. having acquired practically control of the waterfront. That had worked to the disadvantage of that city. When it was remembered that the present government was too much under the power of the C. P. R. this was still more langerous as the C. P. R. might easily acquire a control of Victoria's waterfront similar to that in Vancouver.

Premier McBride said he was ready to credit Mr. Oliver with honest zeal in his arliamentary duties. The member for Delta seemed to be very anxious about

With respect to the transfer of asylun lands, the Premier said that the governwere in favor of it, and he could not see | ment had done it in order to benefit the | provisions of the Assessment Act; to conituation of those mentally deranged. Dr. Manchester held that it would be little ing frauds upon creditors by secret bills short of a scandal to continue the condi-tions at the asylum. The government amend the Land Registry Act and tions at the asylum. The government

exchange which was made.

J. Murphy said the motion had not "'(4.) The remaining portions of the reserve may be disposed of by public auction, under the terms and conditions as provided by the Land Act.'"

and would make game laws appoints in older countries in Europe. It would press upon a section of men who could ill afford to pay it. He had no use for the present government. He had no use for the present government in this province according to past history had in many intended later to introduce a hill to resonance of the present government.

Railway Bills.

The mother says to herself sometimes. "I can hardly endure it." Then a chill creeps over her as she thinks of the awful silence which falls upon the home when children are taken away, an is glad her children are hardy of body

and lusty of lungs.

When a child does not enjoy noisy when a child does not enjoy noisy sports and games there is something wrong, and that something will often be found to be a lack of nutrition adequate to the needs of youth and growth. The stomach is "weak," digestion is imperfect, and so the nourishment of the body is inadequate.

In such cases Dr. Pierce's Golden In such cases Dr. Pierce's Golden Medical Discovery works wonders. It changes puny, fretful children into nealthy, happy girls and boys. The process by which this change is accomplished is strictly along the lines marked by Nature. All growth and strength come from food when it has been digested, converted into nutritiou and assimilated. "Golden Medical Discovery" Pures diseases of the stomach covery" fures diseases of the stomach and other urgans of digestion and nutri-tion, and so enables the body to obtain withou loss or waste the benefit of the nutritica provided in food. The "Discovery" contains no alcohol and is en tirely free from opium, cocaine and ail

A Wonderful Thing.

other narcotics.

"I have been thinking of writing to you i've some time," writes Mrs. W. D. Benson, of Meston, Robeson Co., N. C., "to let you know winst a wonderful thing Dr. Pierce's Golden Medical Discovery did for my little boy. He was taken with indigestion when he was a year and a half old and he was under the doctor's treatment for old and he was under the doctor's treatment for five long years. We spent all we made for the tor's bills, and it did no good. He could eat only a little milk and cracker, and some times even this would make him slets. He could not sit up all day, and I gave up all hope of his ever getting any better. Three years ago I found one of cour books, and on looking it lover one day I noticed Dr. Pierce's Golden Medical Discovery recommended. Or indigestion. We bought some and gave it to our but had been treated at Hoods by a good doctor the Ennetts. art of mind and a strong strong with a strong and are it to our properties at Hoods by a good doctor and Bennetts wile, S. C., and at Currie and Lumbers. I have a strong and was only relieved for a strong time we gave him two bottles of Dr. Pierce's Golden Medical Discovery and it cured him. He is we as can be and can eat anything that he want and it does not have him the hims not been seen and it does not hurt him. He has not been sick a day since and it has been three years since took your medicine."

A Thankful Mother "I have felt it my duty for a long time," write Lirs. Mollie Jones, of Gap, Comanche Co., Texas, "to rell you of the wonderful cure effected by your 'Golden Medical Discovery' and 'Pleasant To see you of the wonderful cure effected by your 'Golden Medical Discovery' and 'Pleasant Pellets' in the case of our little boy, now nearly seven years old. When he was two months old he was taken with La Grippe, and it settled on his langs and in his throat. His tonsils eularged, and when he was two years old we had the doctor take his tonsils out and he made bad work of it. If he went in the wind he would be sick, and we tried every physician we saw, but they did not know what to do. When he was worse than ever, and I could not rest for being so uneasy shot him. He was our fourth boy (the other thuse were dead), and it seemed to me that if he slied I just could not bear it. I would go to safep crying and begging God to spare him. Well, I could see he was getting so nuch worse; he was just as poor as he could be, and his kidneys had been troublesome all his life. I had read a book about Dr? Pierce's medicine. It seemed to me that if he since we wanted, and I told my lrusband that if he would by some of Dr. Pierce's medicine Telt almost sure it would help our boy, no sent and got some and we commenced with the 'Golden' Medical Discovery' on Friday night, and with the 'Pellets' the next morning. We gave him your medicine three times a day and by Sunday he was able to play, and in one month from the time he commenced taking it he had gained six pounds and his cough was all gone. He has a to coughed any since, and he don't take cold any more than the rest of us.

gone. He has not coughed any since, and he don't take cold any more than the rest of us. He goes about like the rest of the children and plays in the cold and hot weather." Dr. Pierce's Common Sense Medical Adviser in paper covers is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only.
