The familiar terms, "Liberty, Equality and Fraternity on the reverse side, and on the obverse side is the inscription translated, "All men are equal before the law." In value the coin is a sou.

**STILL IN JAIL.**  
 Beth McLeod and Dan Littlejohn, the pugilists who were arrested last night, were before the magistrate this morning and remanded to jail, bail being refused.

**A QUIET HOLIDAY.**  
 Baseball, Fishing, Shooting, Yachting, Theatres the Attractions—Franklins and Clippers the Winners.

Despite the uncertain assurance of the weather this morning, townfolk in large numbers left the city intent to enjoy the holiday. Both trains and boats were taxed to their limit.

At the station the sight was most pleasing. Long before the Boston express was due to leave a surging mass of excursionists moved hither and thither, struggling for a chance to purchase tickets. The Boston express was delayed on this account, as such was the crowd that the tickets could not be handed out fast enough. Equally large was the crowd which went on the Halifax, No. 3, and this train also had to be delayed in departure for a large number of minutes, as the excursionists to obtain their tickets.

The wharves at Indiantown presented a lively appearance this morning. The Star Line boat left early with a large number of passengers. Somewhat later the Beattie, B. Yarrow swung off into the stream. The May Queen took a crowd of excursionists to Gasquetown and the Victoria took another crowd to Fredericton. At half-past one this afternoon the steamer Elaine left with a crowd for a trip up the Kennebec.

Those who remained in the city had all the attractions they could desire with two ball games and matinee at both theatres. All attractions were well patronized.

There was a large audience at the York Theatre this afternoon, when the Innocent Maids gave their performance. The play was a continuous performance of the vaudeville kind, consisting of specialties, a farce and burlesque, making up a fairly enjoyable programme. One of the best features was some trapeze work by the Backs. The company will appear again this evening.

The Royal Kennebec Yacht Club left on the season's first cruise this morning. About fifteen boats took part.

**BASEBALL.**  
 Franklins, 3; Portland, 1.  
 Between 200 and 300 people were in attendance at the game of ball on the Shamrock grounds this morning and witnessed the Franklins defeat the Portlanders by a score of 3 to 1.

The Portlanders led the game by loose playing and not being able to hit Treartha's new ball, which was of the oblong shape. Duren was very effective, the Portlanders only making eight singles of 24.

Treartha pitched for the Portlanders and was found for fifteen safe hits, while his support was wretched, the team totalling no less than ten errors.

The Portlanders batted in the first inning, while the Franklins got one man across the plate, three singles being made in that inning.

In the second inning the Portlanders were blanked, the Franklins getting two men home safely, one single and one double being responsible.

The Franklins made four more runs in the third inning, when Treartha pitched a score of 3 to 1.

The Portlanders got one run in the fourth, fifth and sixth innings.

In the seventh inning with one hit by Cregan, Malcolm dropped an easy fly in right field and two men scored on the hit, a stolen base and a throw back to the pitcher gave the Portlanders their third run.

The team failed to score in the fourth, fifth and sixth innings.

The summary of the game is as follows:

| PORTLANDERS.  |       | A. B. R. H. P. O. A. E. |   |   |    |    |   |
|---------------|-------|-------------------------|---|---|----|----|---|

**CLIPPERS, 18; ST. JOSEPHS, 11.**  
 There was a very slim attendance at the game this morning on the Victoria grounds between the Clippers and St. Josephs. It was the third time these teams have faced each other this season and there was considerable speculation as to which would come out on top. The first time they met St. Josephs won and the second time they broke down the Clippers 12 to 2. Today the Clippers had their revenge and rubbed it in good and hard.

The game was a long, tedious and uninteresting one and the St. Josephs never had a look in from the start.

Malcolm pitched for the Clippers and kept the hits well scattered with the exception of the third inning.

Doc Britt, brother of the veteran's, made his initial appearance as a pitcher. He went badly to pieces in the first inning and Whelley had to finish the inning. The next five he pitched splendidly, but in the seventh and eighth was hit hard.

The support accorded him in these innings was nothing like what the youngster deserved. As a back-stop Will Durick made a favorable impression. He is a great stick hander, having a home run, a double and a single to his credit. His home run, the first of the season, wins for him a box of cigars.

**BURIED TODAY.**  
 A very large number of citizens, old and young, paid their final token of esteem to the memory of Mrs. Percy W. D. Campbell (nee Buchanan) this afternoon, at the funeral which took place at 2:30 o'clock from the home on Prince William street. Rev. W. W. Rainnie and Rev. Mr. Nicholson, pastor of the Calvary Presbyterian church, conducted the services and interment was made in Fernhill. Pall bearers were chosen just prior to the starting of the funeral procession. A wealth of silent evidences of sympathy and respect reposed upon the coffin, including a bustle of pink and white roses from "G" Company 62nd Regiment Fusiliers, to which organization Mr. Campbell is attached; a wreath of roses, ferns, etc., from Moncton Division, No. 63, Order of Railway Telegraphers; a crescent of carnations, ferns, etc., from the employees of the I. C. R. freight office, and large bouquets from Mr. and Mrs. James Perry, Mr. and Mrs. R. E. Elye, Mr. and Mrs.

Booker T. Washington is telling this story of an old negro carpenter he met who had contracted to erect a cottage, and who cleared exactly ten cents on the job.  
 "When I asked him if he was not greatly disappointed over the outcome, he replied:  
 "'No, sah; not the least bit; I had with ten cents to boss over here white men.'"—New York Times.
