HOPEWELL HILL, Dec. 20.-A very successful supper and concert that realized \$37 for church purposes, was given on Monday evening by the Baptist folk.

Thos. Ross, mail carrier, who was badly injured by being thrown from his wagon, last week, is improving.

Rev. R. Barry Smith, grand chief templar of the I. O. G. T., visited Mount Pleasant lodge here, last evening, and was presented with an address

Mrs. Bray, wife of Wm. Bray, died at New Horton this morning, after a lengthy illness. The deceased was a lady of highest Christian character, and kindly disposition, and was uni-versally esteemed. She leaves a husband and grown up family. Two sons, Alvin and Freeman Bray, are living in British Columbia, and two daughters, Mrs. Martha J. Wilbur and Mrs. Ernest Steeves reside in Allston, Mass. Another daughter is living at Waterside.

ALBERT, Albert Co., Dec. 20.-Mrs. Mary Hawkes, wife of Alexander Hawkes of Curryville, was before Police Magistrate Stuart today, charged with violation of the Scott Act. Inspector Trueman prosecuted and David Grant of Moncton defended. The lady has been selling a brand of beer of her own manufacture, the component parts of which are said to be hackmatack boughs, hops, molasses and yeast. Witnesses for the prosecution swore the liquid was not intoxicating and the charge was dis-This is the third case the inspector has brought since his appointment, and the third he has lost. Lake and formed an ice bridge two intenes in thickness. The revival services at Upper Jemseg still continue. Last Sunday eight more converts visited the bap;ismal waters at the result of erangelist labors. A grit meeting at Jemseg, presided over by Organizer Milligan, took place on Sat-urday evaning. The grits seemed conspicu-ous by their absence, and if the parish has any left they are not the tame followers they were previous to the Blair-Farris re-gime.

gime. A new post office has recently been in-stalled in the parish of Waterborough. By the way, it is called Blair. A dual ques-tion arises: Whence originated this office? Whence came its name? Some claim it is named Blair in honor of the so-called mem-ber for Queens and Sunbury, while others say it is called after the worthy postmas-ter.

Relation of Disease to Microbic Life—Its Application in Treatment of Catarrh. It is now an established fact that microbic life is the cause of throat and nasal Catarrh, and to cure that dreaded disease the microbes must be killed, and so allow the

the microbes must be killed, and so allow the forces of nature to assert themselves. Many remedies have been tried, snuffs, washes and ointments; but they have all proved ineffectual because they do not reach the affected parts. Late scientific investigation into the rela-tion of disease to microbic life has produced a specific for all diseases of the nasal and respiratory organs caused by germ life, call-ed Catarrhozone.

ed Catarrhozone. Catarrhozone is a liquid quickly atomized,

with a pleasant and penetrating odor when carried by atmospheric air through the in-haler; and recalls more than anything else the rich balsamic scent of the pine woods so eagerly sought by invalids in the Adiron-dacks. When inhaled through the inhaler it

dacks. When inhaled through the inhaler it diffuses very rapidly and reaches all the affected parts, destroying the microbic life and other causes exciting disease of the nasal and respiratory organs. It acts energetically as a stimulant to the mucous tissues of the throat, nasal passages and bronchial tubes, relieving congestion, and the affected parts are then quickly restored to a healthy condition.

BOIESTOWN, Northumberland Co., Dec. 21.-The semi-annual public ex-amination of the school in this district took place yesterday afternoon, in the presence of a large number of visitors. Speeches highly commending the work done during the term were made by Trustee H. H. Gunter, Secretary Wm. McMillan, Rev. M. R. Knight, Councillor Wm. A. Camp-bell, Dr. R. Kilgour Arnold, Wm. T. Sharpe and Sergt. Harry A. Kendall. The examination in the Ludlow school took place today. Miss Lilian M. Beckwith, who has so efficiently conducted that school for the past term, will not return.

Owing to the good demand for lumber in the British markets, the local manufacturers have shipped nearly their whole season's output.

Big Shipment of Poultry to England-Recent Deaths - The Pork Industry.

CHARLOTTETOWN, Dec. 21.-Charles Taper of Winsloe died under sad circumstances Tuesday at the P. E. Island Hospi tal. As was mentioned last week, he was crushing grain, and went with a pitchfork in his hand to stop the horses from crowding on the mill. One of the horses kicked, striking the heel of the fork between the tines and driving the handle with great force

against Mr. Taper's abdomen. The interna injuries were so serious as to cause death in less than a week. Mr. Taper was for a time engaged in teaching school. He then became a widely known merchant at Brad-albane, and latterly lived a more retired life on his farm at Winsloe.

on his farm at Winsloe. The Foresters of Tryon realized \$88 at a social a few evenings ago. John A. McDonaid of Tracadie has bought from Neil Nicholson a half interest in the schooner Carmena. Daniel J. Cameron, one of the teaching staff of St. Dunstan's College, died of diph-theria Saturday. Deceased had taught school in this province for about fourteen years. The deaths are also announced of Robert L. Glove of Summerside, aged 84 yearf; Alexander Anderson of Bedeque, aged 72 years; Alice Schurman, eldest daughter of Alfred Schurman, clerk of county court for Prince county; Bertie McDonaid, aged 15 years, youngest daughter of Stephen McDon-aid of Souris, Charles Clive Macmillan, son of Charles Macmillan of Covehead, agea 21 years.

of Charles Macmilian of Covenead, aged 21 years. A fine old mansion, about three miles from Charlottetown, owned and occupied by Walter E. Burke, was burned on Saturday. The furniture, etc., was saved, but the con-tents of the cellar were destroyed. Mr. Burke's loss is a heavy one, as he carried little insurance. Carvell Bros. have shipped this season 29 cargoes of oats, aggregating 212,530 bushels. William Young of Kingsboro lost his barn, one of the finest in Kings Co., by fire on Tuesday. All his stock, consisting of eighteen cattle, one horse, etc., farming im-plements, hay, straw, oats and wheat, sleighs and wagons, were burned. There was no insurance.
