A hearty vote of thanks was moved by Rev. G. M. Campbell and second-ed by Rev. Dr. Wilson, and carried unanimously, to the Rev. John C. Berrie for the very efficient manner in which he has discharged the duties of the presidency during the past year. The new president is wearing his honors modestly and doing his work with much acceptance. While many others when called to the chair have passed a preparatory course as chairman of the district, he has at once passed from the floor of the conference to the platform.

EVENING SESSION. The evening session was entirely given up to missionary matters, when, as already reported, addresses were delivered by Mrs. B.
