BORDEN AND ADEQUATE PRO-

TECTION.

Why Liquid Catarrh Remedies Fail.

They go direct to the stomach, have

very little effect on the linings of the

nose and throat and entirely fail to

cure. Only by cleansing the air pas-

sages by relieving the inflammation

and killing the germs is cure possible.

No combination of Antiseptics is so

successful as Catarrhone. In breath-

ing it, you send the richest pine bal-

sams right to the seat of the disease.

Irritating phlegm is cleared out.

Inflamed, coughing and hacking are

cured. For a permanent cure for cat-

arrh, nothing equals Catarrhone, 25

cents, and \$1.00 at all dealers.
