## BRITISH AND AMERICAN FOOTBALL RESULTS SATURDAY

### Games in England.

London, Oct. 18.—Tall scoring was the feature of the games this afternoon in the first division of the football league, while not a visiting team captured the maximum points.

For the ten teams playing at home, no fewer than twenty-four goals were scored, with only two draws, and both were bloodless.

Everton did the tallest scoring, by piling up five to nothing against Derby County.

Blackburn Rovers retained their unbeaten certificate, by drawing at home with Bradford City, when they were expected to win.

There was a crowd of \$5,000 at Stamford Bridge, when Chelsea delighted their supporters by securing their second victory of the season at the expense of Liverpool.

The "Spurs" came a cropper at Burnley, Aston Villa were beaten again and Oldham Athletic easily defeated Newcastle United, Manchester United took a jump by defeating Preston North End, who have yet to win a game.

Sunderland could only draw at home with Manchester City, and the "Throats" of West Ham, who now occupy third place in the table, beat Sheffield United.

In the second division the "Gunners" of Woolwich Arsenal, did well to so readily defeat Lincoln City, and both the Nottingham teams were successful—the Forest at home, and the County away.

Swindon Town, by beating Watford, on the latter's ground, have won all their matches, and have the best record of any team in any of the leagues.

### Argonauts and Ottawa Tie.

Toronto, Oct. 18.—The Argonauts and Ottawa played a tie game today, the final score of the exciting struggle being ten to ten. The visitors led all the way until Binkley dropped a goal from the field near the end of the last quarter and put the double blue on a level with their opponents.

A long dispute followed the final whistle. Ottawa refused to go on with the game, though Referee Robbins ordered two ten-minute periods to settle the argument, when they found the Argos were to go on and score the necessary points unopposed they declined to come back. The dispute continued on the side lines, and in the meantime the darkness gathered.

The ball was finally booted off in the gloaming, but less than five minutes of play convinced the officials that the game could not be finished and it was accordingly called off.

### McGill Won Match.

Montreal, Oct. 19.—Outplaying their opponents the greater part of the

time, McGill scored a most decisive victory over Varsity on the campus Saturday afternoon, beating them by a score of 21 to 5. The play was not marked by the brilliancy of a week ago owing to the close and hard checking of the lines which did not permit the backs getting in their numerous sensational runs. There was more fumbling than in the previous match, accounted for by the slippery and dangerous condition of the grounds. A heavy rain had fallen in the early afternoon. Both teams played at full strength.

### THE SOLDIERS WON.

Kingston, Ont., Oct. 18.—Although neither Queens nor Royal Military College had been regarded as a contender for the championship of the inter-collegiate union, great interest was taken in the first meeting here today. The soldiers won the game by outlasting the Presbyterians, who started very well, but gradually faded until they finally collapsed completely in the final quarter. Royal Military College winning by a score of 15 to 4. Queens got a try in the first quarter. Military College had been pressing and there was one point to their credit on the score board when McQuay broke through and captured a loose ball. He chased the whole length of the field with the soldiers in hot chase, and went over for a try, which was not converted. In the second quarter, the game was very even, and in a duel, mostly in mid-field, each team got one more point. The half-time score was, Queens, 6; Royal Military College, 3.

### TIGERS DEFEATED MONTREAL.

Hamilton, Oct. 18.—In a game that was hardly even a good contest for the Tigers, they defeated Montreal here today by the overwhelming score of 38 to 1. The visitors did start off well, but they might do something and held their own for one quarter, during which the locals were a little loose in their play. Montreal made one point on a ruse, Tucker kicking when they found that they could not buck over from the Hamilton ten yard line. Then the Tigers went to work and made a light lunch of the visitors. The home team did not even think it necessary to play their strongest line-up.

### A DISASTROUS DEFEAT.

California University, Calif., Oct. 18.—New Zealand 56; Stanford University 0, tells the story of another disastrous defeat at rugby today of the Stanford's varsity by the All-Star team from the Antipodes.

An interesting contest resulted in a victory for St. John by the score of 5-2. Fairville show that they have the makings of a good team, and have a very enthusiastic following. The line-ups were as following: For Fairville, Meenan, Strachan, Pink, Parker, Ratcliffe, Seal, Teffer, Hopper, E. Ramsay, Brindle and Scarfe. For St. John, Stockley, Dillon, Spearman, Miller, McCrae, Robertson and Burton.

### STAND AND HOUSE BURN.

Baltimore, Oct. 18.—The grandstand and clubhouse at the Havre de Grace race track were destroyed by fire of unknown origin tonight, entailing a loss estimated at between \$50,000 and \$75,000.

The fire started in the grandstand about midnight. Fanned by a strong northwest wind, the flames spread rapidly throughout the two storey structure and communicated to the clubhouse and thence to the stables and fences enclosing the race course.

The Havre de Grace volunteer fire department made an attempt to reach the scene but got stalled when about half-way.

## ST. JOHN HIGH DEFEATED AT CAPITAL

### Special To The Standard.

Fredericton, N. B., Oct. 19.—The Fredericton High School football team spring a surprise Saturday afternoon and won their game with St. John High School at the College field, 5 to 3.

The yellow and black athletes showed a reversal of form from that of their other games played this season and their victory on Saturday was well earned. The St. John team were nervous, and their showing was not up to expectations.

At only one time during the whole game were the visitors really dangerous, the being the first part of the second half, when poor passing on the part of the Fredericton halves allowed St. John High to carry the play to the five yard line. St. John accepted this their only opportunity to score, and went over the line for their first try. Mooney scored the only try of the game.

Carter scored the only try of the game. School on the best play of the game, about the middle of the first half Fredericton High carried the play to the St. John twenty-five yard line on a succession of kicks. A scrim was called on the line and when the ball came out Myhrall passed to Young, who went about twenty yards and passed to Carter on the wing, the latter going over. Carter converted the try and the two points proved enough to win for Fredericton. Donovan, Young and Carter on the half line played good football, while Jarvis and Kilburn were the pick of the forwards. Captain Bridges also put up a good game at quarter.

Mooney was undoubtedly the best man for the visitors, his dodging and running being very effective. Captain Donovan played a fair game but was marked by the Fredericton players.

### ENGLISH WOMAN IS CHAMPION

Wilmington, Del., Oct. 18.—For the third time in five years the women's national golf championship has been won by a player from the British Dominions. On the course of the Wilmington Country Club, Miss Gladys Ravenscroft, of the Bromborough Club, England, former champion of Great Britain, defeated Miss Marion Holles, of West Brook, Long Island, this year's metropolitan titleholder, two up, after a sharp contest in which both played good and bad golf.

The match was interesting from start to finish. Both players were nervous at different periods, but Miss Ravenscroft was the steadier of the two and at the end of the match, she was only in a practice match. Miss Holles feeling the responsibility of trying to keep the American championship, she played a very plucky game. She got into frequent trouble by making bad drives and would come up strongly and get into the game with the story of another disaster.

The New Zealanders have now scored a total of 185 points in their matches with the coast clubs, and have not been scored against.

Both Miss Holles and Miss Ravenscroft were good in their long game, but were uncertain and at times weak in their approaching and putting. Notwithstanding the fact that Miss Ravenscroft at several periods was off her game, she covered the 18 holes in 86, the best score of the tournament.

Miss Holles' total score was 91. Despite the weather, showers falling intermittently during the play, the largest gallery of the week followed the two players. After Miss Ravenscroft had been congratulated by Miss Holles, the gallery rushed forward and showered congratulations upon the British player. She had to do much hand shaking on the way to the clubhouse, and for a long time after she reached there, she played a very plucky game. She got into frequent trouble by making bad drives and would come up strongly and get into the game with the story of another disaster.

The prize which now goes to England was held by Miss Margaret Curtis of Boston, who won the national title in 1911 and 1912. Miss Curtis entered the 1913 championship but was defeated in the first round last Tuesday by Miss Caroline Palmer of Chicago. Prior to Miss Curtis' possession, the American championship was held by Miss Dorothy Campbell, a Canadian and former British champion, who won it in 1909 and 1910.

Cincinnati, Oct. 18.—The New York National League team, and the Chicago American Leaguers began a tour of the world here today with a ball game in which the former won by a score of 1 to 2. Mathewson and Tesreau were in fine form. Benz, on the other hand was hard hit. Score: New York (National) 1 0 0 0 1 0 0 0—2 7 3. Chicago (Americans) 0 6 0 2 2 1 0 0—11 7 4 0.

### Giants Win at Chicago

Chicago, Oct. 19.—The world-touring White Sox of the American League, champions of Chicago, and the New York Giants, winners of the National League pennant, were given an enthusiastic farewell today despite the fact that the local club was defeated 2 to 1, in the second game of their long schedule.

The day was crisp, more suited to football, but 8,000 persons attended. Both clubs wore uniforms trimmed with the National colors, with the American flag worked on their sleeves.

The touring party will travel in a special train, which left tonight for Springfield, Ill., where the teams play tomorrow. The special train will be their home from now until they board the steamer at Vancouver for Japan, November 19. The itinerary carries the party across this country south-west and up the Pacific coast to Vancouver, from where they will start their journey to foreign lands, playing in Japan, China, Philippines, Australia, India, Egypt, Italy, France, England, Scotland and Ireland. They expect to arrive in New York March 6 of next year.

The game today was close with Russell and Demaree, a Chicago boy, opposing each other. The former pitched a great game, striking out ten of his opponents, but the Nationals managed to bunch hits in two of the innings. Demaree, although a little wild, pitched the best ball in the penches.

Shortstop McBride, of the Washington club, today promised to join the globetrotters tomorrow.

Tris Speaker, of the Boston Americans, wired he would report on Tuesday. Score: New York (Nationals) 0 0 0 0 1 0 0 2—3 9 0. Chicago (Americans) 0 0 0 0 1 0 0 0—1 6 0.

### Batteries:—Demaree and Wingo; Russell and Daly.

## MONCTON AND ST. JOHN PLAY TODAY

### AL PALZER KNOCKED OUT BY DAN DALEY

Pittsburg, Oct. 18.—Al Palzer, of New York, heavyweight pugilist, was knocked out in the second round of a six round boxing contest here tonight by Dan Daley of Newcastle, Pa., with a left and right to the jaw. Previously Palzer had been knocked down with a left hook to the jaw. Palzer had to be carried from the ring.

The fight tonight was the second surprise here within a week. Last Saturday night George Chip, of Madison, Pa., a miner, a companion of Daley, had been knocked out by Frank Klaus, reported to have been the middleweight champion. The defeat of Klaus in the sixth round of that bout was a sensation. Daley's feat of knocking out Palzer tonight was viewed in a similar manner.

In the first round Daley showed amazing footwork and was quick. He seemed to land at will. The second round was merely a repetition of the first, with Daley then administering a much heavier blow. After a minute's fighting, in the second round Daley

dropped Palzer for the count of nine, drove a left and right to the jaw, and Palzer arose and clinched. Daley then the fight was over.

### Three Mighty Forces Close Linked

Have you ever noted how an audience yawns in the face of an uninspired speaker? On the other hand, have you noted how an audience will lean forward and grasp the chair arms when the speaker reveals enthusiasm?

Enthusiasm is the buoyant expression of truth. To impart belief in anything, a man must believe it deeply himself. We call such a man an enthusiast.

This applies to the written word also—particularly to advertisements. When the manufacturer really believes in his wares, his enthusiasm will almost inevitably find expression in Advertising. And enthusiasm will be contagious—his audience—the readers of the newspaper—will, figuratively speaking, "lean forward and listen intently."

To be convincing an advertisement must convey an unmistakable impression of enthusiasm. This it will only do when the article advertised has inherent worth.

Thus we have: Sincerity--Enthusiasm--Advertising: Three mighty forces, close-linked.

### Every drop is old, mellow--thoroughly matured.

### Royal Blend Scotch

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
