Advice. "This boat will surely kill me," cried The bloated profiteer. "Oh, try to live," his victim said, "You're so much cooler here."

## Economy See ad in Saturdays paper HART Shoes

"Yes, I'll make it. The truck runs smoothly and dependably because I use nothing but Imperial Polarine for lubrication and Imperial Premier Gasoline for fuel. That's the unbeatable combination which keeps the mail on time."

## Accurate Thorough Lubrication

**IMPERIAL** Polarine gives thorough lubrication under every operating condition. Cars and trucks give longer, cheaper service when lubricated with Imperial Polarine.

Imperial Polarine will not break up or run thin under continued operation. It reduces friction to a minimum by maintaining a coating of oil on every wearing surface. It seals all the power behind the piston by establishing a perfect piston-to-cylinder seal.

Learn which of the three grades described below is best suited for your car from the Imperial Polarine Chart of Recommendations, which is on display wherever Imperial Polarine is sold.

Sold in one-gallon and four-gallon sealed cans, half-barrels and barrels, also in 12 1/2-gallon steel kegs, by dealers everywhere.

St. John's Only Exclusive Fur House is offering at its annual August Fur Sale an opportunity that the fur-buying public will appreciate when it visits our "Fur Parlors" and sees for itself the wonderful values being shown. These values will not be duplicated later in the season as the retail prices we are asking are in many cases below the figures the wholesaler is receiving for the same goods today.

As "Exclusive Furriers" we have many buying opportunities not offered to merchants handling furs only as one department of their business. A visit to our Fur Parlors will convince you that our statements are ones of fact.

We would call your special attention to our Hudson Seal garments, of which we have the largest showing in the Maritime Provinces.

## COATS

Hudson Seal Coat, 35 in. long, Natural Skunk collar and cuffs and 12 in. border, with a rich metallic satin lining—\$335.00.

## Common Council Special Meeting

Matter of New Water Main to Spruce Lake Disposed of Yesterday and Canada Lock Joint Pipe Co. Get Contract at \$15.50 Per Foot.

Yesterday afternoon, at a special meeting of the Common Council, the matter of a new water main to Spruce Lake was finally disposed of, and the Canada Lock Joint Pipe Co. got the contract for the job at \$15.50 per foot. Some opposition to various phases of the contract was voiced, but after explanation of the contract by the city solicitor, J. B. M. Baxter, K. C., the vote passed with only one dissenting voice, that of Commissioner Prink.

Mayor Schofield presided, and there were present Commissioners Bullock, Thornton, Jones and Prink; G. G. Hare, city engineer; Dr. J. B. M. Baxter, city solicitor; President Chase and Vice-President Hirsch and C. J. Bruce, of the Pipe Company, and N. P. McLeod.

Mayor Schofield called the meeting to order, and Commissioner Bullock moved the Council go into committee to discuss the contract drawn up by the city solicitor. Carried.

The city solicitor then noted the changes made in the specifications. The first was in regard to time of completion, the new clause requiring the company to complete the contract in two years from date of beginning regardless of time allowed for winter and storms, the company to give a surety bond for half the amount of the contract for the carrying out of this part of the agreement. In regard to leakage the specification was altered to allow for the company giving a surety bond for one-third of the amount of the contract for three years and a further guarantee for an additional two years for the maintenance of the pipe in good order.

The contract called for completion in two years, the work to cost \$15.50 per lined foot for the excavation, making of the pipe, laying of it and refilling, \$6 per cubic foot for rock excavation, and \$2.50 per cubic yard for extra excavation over seven feet. It also provided that if the contractor should unduly hold up the work, the city might take it over at any time and finish the work, and no extra would be allowed unless certified to by the city engineer.

Commissioner Thornton thought the matter of extras should come before the Council, as they were the ones responsible to the electors, and this change was made in the contract. Commissioner Thornton also called attention to the letter of the Atlantic Construction Company, and asked if their tender was in conformity with the specification except for the cash deposit. The city engineer said so far as he knew it was not, although he had not seen it.

The Council then rose and went into committee. The report of the committee of the whole recommending the adoption of the agreement with the Nashua Lock Joint Pipe Co. was passed at the last meeting of the committee, was then received, and on a vote adopted, Commissioners Thornton and Prink voting nay.

Commissioner Jones then moved the following resolution: That the agreement prepared by the city solicitor with the Canada Lock Joint Pipe, Limited, be approved and entered into under the common seal.

This was seconded by Commissioner Bullock. Commissioner Prink called attention to the fact that a wood stove pipe could be laid for \$126.00, while the concrete was going to cost \$357.000. He called attention to the fact that the tender was practically the amount given in the estimate of the city engineer in June last.

Commissioner Thornton thought the Lock Joint Pipe Co. had gone the limit in their tender, and said he was in favor of throwing the whole thing out. On the vote being taken the motion carried, Commissioner Prink voting nay. Council then adjourned.

## Police Court Cases Yesterday

The usual Monday rush was on at the police court yesterday. Victor Pleasant, an Italian, pleaded guilty to being drunk on Pond street. He was also charged with impeding young girls, but he denied this charge. Policemen Linton and Dykeman testified that they had received complaints and they had seen the accused stop three girls. When asked what he was doing by the policeman he had replied that he was a Thiel detective. The accused told the court that he had questioned a child in regard to information about a friend of his. In this

## THE UNIVERSITY OF NEW BRUNSWICK FREDERICTON, N. B.

The next session opens on September 15th. Lectures begin at 9 a. m. Monday, September 20th.

Complete and thorough courses are offered in either Arts or Applied Science.

The Applied Science Courses include Civil Engineering, Electrical Engineering and Forestry. All are four-year courses leading to the Bachelor's Degree.

Arts students may, by a proper choice of electives, anticipate a year in Law or Medicine.

A Scholarship worth \$60 is open for competition in each county of the Province. An Asa Dow Scholarship, worth \$200, may be completed by First-Class Male Teachers.

Numerous valuable Prizes and Scholarships are offered in competition throughout the course. For full particulars consult the University Calendar, a copy of which will be sent on request.

CIRIL C. JONES, Chancellor.

S. C. WEBB, Mgr. Telephone connections at Store and Res.

afternoon evidence was given by two of the girls that he is said to have accused. They practically substantiated Pleasant's statements. The case was postponed until Wednesday, and the accused was allowed out on a deposit of \$22.

The case against Laura Irvine, aged 18, charged with vagrancy, was resumed and further evidence was given by Policemen Thomas. The accused promised to do better if given a chance. She was remanded until her pastor can be communicated with. Urban J. Sweeney appeared in her behalf.

Charles Frozel, accused of stealing a small quantity of sugar from the Atlantic Sugar Refinery, was allowed out on a suspended sentence of six months.

A case against Frank Doran, charged with having liquor in his beer shop on Brussels street, was dismissed. E. S. Ritchie for the accused.

Herbert Hanson, a protectionist, was allowed to go and get work.

Joseph Bois was again before the court on the charge of watering about and not giving a satisfactory account of himself. He failed in the dock and was sent below for treatment.

Fourteen drunks appeared before the magistrate. Twelve of these pleaded guilty and were remanded. The other two pleaded not guilty, but indisputable evidence was given by the police that these two were truly under the influence.
