

THE WEATHER.

Toronto, Sept. 26.—Showers have occurred locally today in British Columbia, the Western Provinces and over Lake Superior; elsewhere the weather has been fine and for the most part decidedly warm.

AROUND THE CITY

ANOTHER CLEAN SHEET.

A clean sheet was turned in by the police Saturday morning for the third time in three weeks. As there were no cases pending there was nothing to engage the magistrate's attention.

SOLOIST ENGAGED.

Miss Francis Murdoch has been engaged as soloist by the First Presbyterian church, West Side. Miss Murdoch sang in the choir for the first time on Saturday evening, and her fresh, clear-toned voice made a fine impression. Miss Murdoch is a daughter of Mr. and Mrs. Joseph Murdoch, Orange street.

HARBOR RANGE LIGHTS.

The St. John Harbor Range Lights are to be discontinued and new red lights will be placed on the outer corner of Shed No. 36. The usefulness of the harbor range lights has been impaired by various causes, and the new location of the lights is expected to be a great improvement.

PRESENTATION TO GEORGE M. MOTT

Superintendent of Charlotte St. Baptist Church Sunday School Receives Purse.

At the close of the evening service at the Charlotte Street Baptist Church, West Side, a presentation was made by Rev. J. H. Jenner, on behalf of the congregation, to George M. Mott, Mr. Mott has been a valued member of the choir of the church for a number of years, superintendent of the Sunday School, and closely associated with all the activities of the church. He is leaving shortly for Acadia College, where he will study for the ministry. The gift took the form of a purse containing \$120, the handsomely tool leather note folder being presented by the Junior Union, the youngest organization in the church. The choir gave several suitable selections after the presentation.

SALVATION ARMY WELCOME MEETING

New Chancellor and Wife for N. B. Division Greeted—New Instruments for Band.

The welcome meeting for Adjutant Owen, the new chancellor for the N. B. Division, and Mrs. Owen, were held yesterday in the Charlotte street citadel. The meeting and the other services throughout the day were well attended and they were conducted by Brigadier and Mrs. Moore. Comrade Sheard was heard in well rendered solos. Words of welcome were expressed by several of the officers to Adjutant and Mrs. Owen in which they made a fitting reply. In the afternoon the presentation of seven new silver-plated instruments to the band took place. The instruments were purchased out of funds contributed by friends in the city.

SLIGHT MIX-UP ON SATURDAY

Compliments of doubtful nature were passed between hackmen and C. N. H. yardmen Saturday in front of the E. S. S. Company's office. The hacks and public auto were at their starting for the Boston boat which was due here when a shunting engine with a string of cars backed down the boat siding. The yardmen in charge found the track blocked with autos. He succeeded in getting the autos clear then continued to back the train down. The cars passed dangerously near some hack horses causing them to back with other hack teams and a general mix up of hacks, horses, drivers and passengers occurred. Fortunately passengers escaped injury. One horse was cut slightly, and three hacks were more or less damaged in the melee.

REV. J. W. FALCONER AT ST. DAVIDS

Rev. J. W. Falconer, D.D., of Pine Hill College, Halifax, was the preacher yesterday at St. David's church, in the absence of Rev. J. A. MacKellan, who is in Toronto attending meetings of the Foreign Mission Board. In the evening Dr. Falconer preached an excellent sermon from the text, "I am the Way, the Truth, and the Life" John 14-4. There were large congregations at both services.

Rally Day In The Sunday Schools

Reports Were Received and Special Programmes Were Enjoyed.

Main Street Baptist. The Rally Day programme in the Sunday School of the Main Street Baptist Church, yesterday afternoon, was marked with an attendance of over three hundred and fifty persons. An interesting programme was carried out along the lines set for the Maritime United Baptist Sunday Schools. Rev. Canon Armstrong, Trinity Church, was the speaker of the day, and his address was listened to with much interest by both the adults and the little tots as well. The programme follows:

Prologue. Hymn, The Church's Foundation. Scripture, responsive, Psalm 84. Hymn, Rescue the Perishing. Prayer. Offering. Solo, Miss Duke. Exercise by the children. Hymn—When He Cometh. Address, Canon Armstrong. Solo, Mr. Cookbank. Hymn 408. Benediction, Canon Armstrong.

St. Luke's Church. The service held in St. Luke's Church yesterday afternoon was largely attended and the exercises carried out were both interesting and edifying. The pastor, the Rev. Mr. McKim, delivered an address which held the attention of the whole school. The programme was as follows: Hymn, He Loveth Me, Too. Opening exercise by Primary Department. Lord's Prayer. Motion hymn, by Primary Department. Hymn, Junior Department. Hymn, whole school. Address by pastor, Rev. R. P. McKim. Presentation of pins to scholars. Closing hymn.

St. Luke's. Sunday, the 17th of October, will be observed as Children's Day at St. Luke's. First Presbyterian Church. Yesterday, in the First Presbyterian Church, West Side, the Rally Day services were very largely attended, and, judging by the interest displayed and the successful results, a very successful term. A. W. Fraser, superintendent of the Sunday School, presided, and a generous response was made at the offering, the proceeds of which are being given to the Board of Sabbath Schools. Miss Thompson presided at the organ, and the singing of the children was particularly good. The special address of the service was delivered by J. H. Cameron, honorary superintendent of the school. His subject was "The Shepherd Who Became King," and he recounted the story in an intimate fashion that made a deep impression on his hearers.

The order of service was as follows: Doxology. Call to worship. Hymn, Forward Be Our Watchword. Prayer, followed by the Lord's Prayer in unison. Reading in concert by the school, John 1, 35-40. Hymn, How Am So Glad That Our Father in Heaven. Recitation. Rally Day offering. Address—J. R. Cameron. Roll call. Hymn, The Whole Wide World for Jesus. Benediction. Distribution of papers.

Carlton Methodist. The Rally Day services held yesterday in the Carlton Methodist Church were particularly successful and largely attended. About 300 answered the roll call, and all took keen interest in the services. Miss M. Bestway, superintendent of the Sunday School, presided. An exceptionally fine address was given by the pastor of the church, Rev. Jacob Heaney, B. A., who took as his subject "Our Aim as a School." Though it should be the aim of all, he said, to increase as far as possible the activity of the Sunday School, yet it is more important to strive for a greater goal, the increase of the quality of the school. The teachers should aim to develop in the classes they are called to teach a high sense of honor, good deportment, and loyalty to Christ. As members of classes we should regard ourselves in the same measure responsible for the character of our class. The Sunday School is not for boys and girls alone, but should be a rallying point for all members of the congregation, for parents as well as for children.

Ludlow Street Church. Though the general attendance at the Rally Day services at the Ludlow Street Baptist Church, yesterday, was not in advance of former years, yet in several of the classes there were record numbers present. H. H. Parsons, superintendent of the Sunday School, presided, and in a short address he set several goals for the classes for the term. These goals are, first, every teacher present; second, every scholar present; third, average attendance for the term to be 250; fourth, no less than fifty new pupils. The services opened with the reading of the Seriptural lesson by Hon. Ed. Cazin, of Montreal, a former associate president of the Sunday School. The primary department then followed with an exercise and gave their opening prayer under the direction of Miss Marjell Stewart, in the absence

Man-Eating Shark On The Bay Shore

One Reported Caught in Weir at Saints' Rest—Bathers Be On Guard.

The Standard was informed by J. Fred Debra last evening that it had been reported to him by Charles Brown, a man-eating shark had been caught in a weir at Saints' Rest. This type of shark is common in tropical waters, but is a rarity to find them so far north as this. The man-eaters do not, as a rule, travel alone, so it behooved the bathers who frequent the beach in that vicinity to be on their guard. The man-eating shark is distinguished from other members of the same species by the fact that it is lacking the sense of smell and is always accompanied by one or more "pilot" fish, who supply the deficiency. These pilot fish were in evidence yesterday, which is added proof to the identification of the man-eater and lends to the belief that there are others in the vicinity.

IN INTERESTS OF THE BOYS' WORK

Arriving today by the Boston train are Messrs. C. J. Atkinson, of New York, and Taylor Stinson, who will speak in St. John in the interests of Boys' Work. Addresses will be given today before the Rotary Club, the Y. M. C. A., and the Women's Canadian Club. Mr. Atkinson is secretary of the International Association, and both of these two speakers are being sent to the cities of the Dominion by a committee of prominent men interested in Boys' Clubs.

Mrs. Hazon Hamilton, superintendent of the Primary Department, who was unable to attend. The special address was delivered by Rev. H. A. Goodwin, pastor of Centenary Church, who took as his subject "How to Spill Sunday School." In former times, he said, it was customary to consider the Sunday School as something of secondary importance, and it was the last thing thought of in building the church. However, the times have changed, and now to take care of the church one must first think of the Sunday School. Some of the things that spoil a Sunday School are: tardiness, lack of interest, indifference in regard to the work.

The offering taken up amounted to \$25.10, and it will be devoted to Sunday school work. The following excellent programme of music was carried out: Duet, Ralph J. Rupert and E. Clyde Parsons. Solo, Ralph J. Rupert. Duet, Misses Sadie and Ruth Carvell. The closing prayer was offered by Deacon J. F. Ring, after which a hearty vote of thanks was tendered to Rev. Mr. Goodwin for his admirable address. Miss Mullin presided at the piano, and she was assisted by Clarence E. Rupert, violinist. The outlook for Sunday school work was never brighter, every class is well filled and there are twenty-four teachers on the roll, everyone of whom are keenly interested in the work. The Men's Brotherhood Class and the Comrades Class, composed of young men, are also growing. The primary room of the Sunday School is now being renovated by the young men of the Comrades Class.

Fairville Baptist Church. Ninety-six scholars and teachers attended the Rally Day services held at the Fairville Baptist church yesterday afternoon. This represents 76 per cent of the membership roll. There were fifteen visitors, and the programme carried out was of much interest to all.

Carey Black, superintendent made a few remarks at the opening referring particularly to the church and the value of the identified work. The chief speaker of the afternoon was Mr. McEwen of the Y. M. C. A., whose address upon the church and its work was enjoyed by all. Two of the younger girls gave a flag drill, representing the Cross and its influence. Six older girls gave an exercise representing the different branches of church work, such as Prayer, Mission Bands, and Young People's Societies.

In the Boys' Department, where Rev. A. B. Bishop was in charge, a promotion service was held. A number of children from the Y. M. C. A. were also promoted into the Primary Department. The offering for missions was \$30, for the Forward Movement, \$20.

Knox Church. The singing of the scholars was a special feature of the Rally Day service held at Knox Church yesterday afternoon. There was a very large attendance of teachers, scholars and visitors.

Under the direction of Miss Wilson, organist of the church, a choir of the senior scholars led the praise. The church was beautifully decorated with autumn flowers by the teachers and older scholars. An offering of \$20 was received. An address appropriate to the day was given by the pastor, Rev. R. Moorhead Legate. The motto adopted for yesterday's service was: "Bring them all in." Two baptisms took place yesterday afternoon.

St. Mary's Church. Beautiful decorations of autumn flowers and rowan berries decorated the St. Mary's school house yesterday for the Rally services of that parish. The pastor, Rev. H. McKim, opened the proceedings with a few words of welcome, and later made an address, taking for his theme the word, "Come." A choir of fifteen girls, trained by Miss Hilda Brittain, the organist of the church, and Miss Eva Mitchell led the singing and gave three special numbers: "Oh, Come in Children's Sunday Hours," "God Carth for Me" and "Gather of the Flowers." There was a large attendance of scholars, teachers and visitors, and a generous offering was received.

Corner Stone Of New Church

Programme Arranged for Ceremony at New Victoria Street Baptist Temple.

Arrangements are well in hand for the laying of the corner stone of the new Victoria Street Baptist temple, which ceremony is to be performed by the Hon. Sir George E. Foster, Minister of Trade and Commerce, next Saturday afternoon at three o'clock. A number of prominent speakers will be present, amongst others, the Premier, the Hon. W. E. Foster, the leader of the Opposition, the Hon. J. B. M. Baxter; His Worship Mayor Schofield, and the Hon. Dr. Roberts. The platform of the church, and the minister's rostrum have already been completed, and it is planned to have seating accommodations for eight hundred people, suitable music will be provided for the occasion.

The First Sod.

The first sod in the building of the new church was turned by the pastor, the Rev. G. L. Hudson, on the 26th of July; the foundation has since been laid; good progress is being made with the walls, and the congregation hope to be able to occupy the new edifice sometime shortly after the beginning of the new year. It is estimated that the cost of the church will be some \$75,000.

The present membership of the church is over four hundred, and its steady growth has necessitated the new building. Plans are being made to build a modern Sunday school on the site of the old church. This building will be thoroughly up-to-date with class rooms, reception rooms, and special facilities for young people's work. The congregation are enjoying the best year for current expenses, apart from the building of the new church, in their history.

Two adults were united in the church in baptism at the morning service yesterday.

The Feast of Tabernacles

Services Began Last Evening at the Jewish Synagogue—Also Today and Tomorrow

Services in connection with the Feast of Tabernacles or Sukoth began last evening at the Jewish synagogue. Today and Tuesday there will be services held both morning and evening and again at the end of the week.

This festival is the celebration of the harvest and is understood not only to mean a season of "ring of as time for material prosperity, but as time for thought on the larger scope social interests of men in national and international life.

The "dwelling in booths" as characteristic of the Biblical phase of the festival and observed symbolically, reaffirms the lessons of the simple life and democracy of the Jewish household.

The Feast of Tabernacles is the culmination of the series of holidays occurring this month.

ELEVEN ARRESTS FOR WEEK-END

Eleven arrests were made by the police on Saturday, eight were for drunkenness. John Garret was given in charge by his wife for beating her at their home 99 Sheffield street. Edward Gould was arrested early Sunday morning on Main street. He was acting as though insane. A woman was arrested for theft.
