It is with grateful hearts, we present our report for the year 1897. Our work has been very successful. We have now 40 names on the roll. Average attendance was 13. Only 1 meeting was missed during the year. We introduced the Talent System into our band, which proved a great success. We sent a bale of clothing to the North West Missions valued at \$12.50, and we also contributed a small sum towards the Famine Fund. Total money raised was \$18.81.

CONVENERS OF COMMITTEE — G. E. ROSS, G. MASON, MISS BELLA MCCUAIG, MISS NELLIE DUNCAN, ALEX. MUIR, MRS. ROBERTSON.

The membership of our society is now 43, active members 21; and associate, 22. We meet in the basement of the church the second and fourth Thursdays of every month. Consecration meeting on the first meeting of the month and business meeting on the last. During the year this society has raised \$37.00. \$25.00 was given to home missions and \$5.00 to aid the India Famine Fund. Collections are taken up once per month and the "Fulton system" of giving weekly is still continued in our society. For the prayer-meetings till the semi-annual meeting in June, two leaders have been appointed for each meeting, and as a mark of the interest which is taken in the Endeavor, the leaders very rarely fail to attend. Truly our society has proved a blessing to the young people of Guthrie Church and with God's help may we prove a blessing to others.

MARION H. CAMPBELL,
 Rec. Secretary.
