**CONFIRMED YESTERDAY**  
Confirmation services were held in  
St. John's Lutheran Church yesterday  
for German scholars 13 in number  
being confirmed in the morning and the  
English confirmants, 10 in number in  
the evening. Large congregations  
attended both services which were  
most impressive, the pastor Rev. E.  
Kitchener preaching eloquent and  
suitable sermons suitable to the occa-  
sion.

Special music was provided by the  
choir and the evening service Mr.  
Wegener of Kitchener rendered a solo  
in pleasing style.

Following the service the confirm-  
ants presented their pastor with a  
beautiful gold cross and office chair  
as a slight token of the love and esteem  
in which he is held by his class.

**THE LATE MRS. SOPHIA SCHWARTZWAELDER**

The sad death took place in Toronto  
Saturday night about 8.30 o'clock of a  
former resident of Waterloo in the  
person of Mrs. Sophia Schwartzwaelder  
the deceased being in her 62nd year.  
She was a daughter of the late Andrew  
Rookel and was born in Waterloo resid-  
ing on Noecker street until a little  
over a year ago when she removed to  
Toronto. Her residence in town was  
marked by a lasting friendship with all  
in whom she came in contact and  
the news of her death will be learned  
with sad regret by her many friends  
who will sympathize with the family  
in this their hour of sorrow.  
To mourn her loss there are left

two sons, Charles and Henry and two  
daughters, Ida and Melinda all of  
Toronto, four brothers, Henry, Charles,  
Adolph and Andrew of Waterloo and  
four sisters: Regina (Mrs. H. Bruster)  
Toronto, Teekie, (Mrs. L. Barlow)  
Kitchener, Catharine (Mrs. Geo.  
Gross) Waterloo and Linda Waterloo.  
The deceased's husband Mr. Charles  
Schwartzwaelder predeceased her  
about 25 years ago.  
The deceased was a member of  
St. John's Lutheran Church and took  
an active part in the different societies  
of the church.  
The funeral will be held on Tuesday  
afternoon at 3.15 o'clock from the  
Kitchener G.T.R. Depot to Mt. Hope  
Cemetery for interment.

**FOUR MORE BOYS ARRIVE**  
During Saturday and Sunday four  
more local boys arrived home from  
overseas they being Ptes. A. Vale,  
E. Tricker, F. Bergmann and Gunner  
W. Hogg. The boys were accorded  
the usual hearty welcome and were  
glad to get back home again. All  
are enjoying good health except Pte.  
Vale who is just recovering from  
wounds his right arm being helpless.  
His friends will hope for complete  
recovery for the wounded hero.

The Tussock moth has made its  
reappearance in town and of the com-  
bating of this pest is to be successful  
carried out this year now is the time  
to start to exterminate it. Last year  
the pest was quite prevalent in town  
and everything was done to eliminate  
it. However apparently all the eggs  
were not destroyed and the fine weather  
has brought them to life and if the pest  
is not nipped in the bud our shade  
trees and fruit trees are liable to be  
damaged. The pest is very easily  
destroyed if picked off and trampled  
under foot. Last year a campaign was  
inaugurated against the pest by the

schoolchildren and a prize given for  
the pupil who captured the greatest  
number. The contest was the means  
of getting rid of many thousands  
and were the same instituted this year  
much good would result.  
Citizens would do well to inspect  
their trees and have the pest destroyed  
immediately so as to conserve the  
trees for the future.

Miss Marie Viet of Hamilton is a  
welcome visitor in the Twin City re-  
newing old acquaintances.

Mrs. A. Winger and daughter Ger-  
trude of Toronto are visiting at the  
home of Mr. and Mrs. Jacob Conrad  
Young street.

Mr. J. Carr of Stratford spent the  
weekend with friends in town.

Mrs. D. Bohlander left this morning  
for London on a few days visit.

Mr. and Mrs. R. Blak of Guelph  
spent Sunday with friends in town.

Miss C. Ellison of Galt is visiting  
friends in town for a few days.

Don't forget the dance at Orpheus  
Hall, Monday night, April 21st,  
Krug's Orchestra.

## Two F.W.D. Men Will Arrive in the City

Mr. Henry Nyberg has returned  
from Montreal where he attended the  
automobile show. He found the  
exhibition interesting and worth  
while.

Regarding the F. W. D. truck and  
the coming visit of the directors of  
the company to this city, Mr. Ny-  
berg expected two representatives of  
the company to reach here to-day or  
to-morrow. One of them is an  
expert truck driver, Mr. Frank Doran.  
It is proposed to give a demonstra-  
tion with the trucks to-morrow, prob-  
ably at the plant of the Dominion  
Tire Company. Mr. Joseph Cotton,  
one of the directors of the company,  
will be here also. The whole Board  
will arrive here later in the week.  
Regarding the plans for the build-  
ing the company have had to in-  
vestigate the supply of steel to be used  
in construction, as to the sizes and  
standard of Canadian structural parts,  
before completing the plans.

## How Indemnity May Be Collected by the Allies

**FIVE BILLION CASH AND TWENTY BILLION IN BONDS**  
PARIS, April 14.—Germany, under the peace treaty must pay five billion in cash or its equivalent in commodities before May 1, 1921. She must also issue immediately to the allies and associated governments twenty billion dollars or in interest-bearing bonds.  
The interest on bonds, until 1926, will be either two or three per cent, and after that date five per cent, according to the present plan. The bonds will be payable in instalments during a period of fifteen years. They will probably be kept in control of a central commission of allied and associated governments, so that they shall not be marketed in quantities sufficient to break the price.

## Further War Expected by Count Reventlow

**DOES NOT BELIEVE PERMANENT PEACE COMING**  
(Special To The Record).  
BASIL, April 14.—Count von Reventlow, former military expert of the Berliner Tageblatt, in an interview telegraphed here today, declared he favors the restoration of a liberalized monarchy.  
"The militarist spirit does not exist in Germany," he is quoted as saying. "It is a spirit of defense, natural everywhere. If we had a national spirit as strong as the French, we would have won the first battle of the Marne. I do not believe the present conference will make a general and lasting peace. Further war is inevitable. Peace cannot be just. Unless Germany is considered a belligerent and treated as such."

## M. Broda Pessimistic

**DECLARES GERMANY IS MAKING PREPARATIONS.**  
PARIS, April 14.—The Matin published an interview today with M. Broda, President of a Czech-Slovak delegation, representing the Slavs of Saxony and Silesia, declared that Germany is secretly carrying on extensive military preparations. Guns, shells, airplanes and machine guns are being moved into Silesia and Saxony. Broda charged that Field Marshal von Hindenburg is backing the military preparations.

## Has Resigned From St. Andrew's Charge

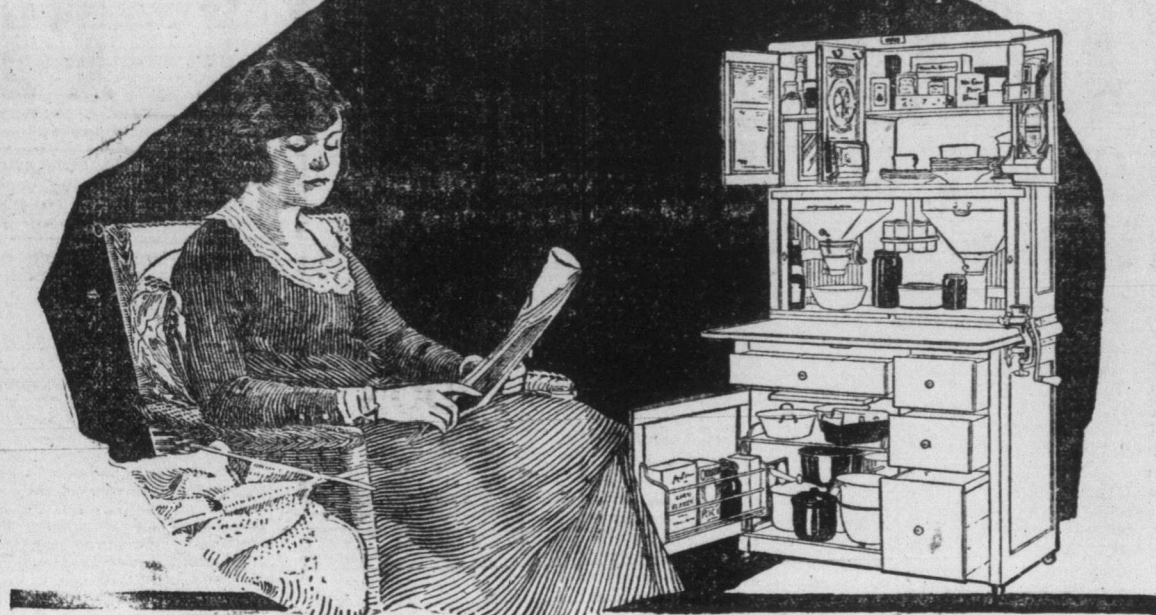

Rev. Dr. Scott Compelled To Take A Rest.

A surprise was rendered at the morning services yesterday at St. Andrew's Church. The pastor, Rev. Marcus Scott, D.D., announced that he had decided to resign the ministerial post and that the resignation had been forwarded to the Secretary of the Guelph Presbytery to take effect at the end of the month. Dr. Scott stated that he had been compelled to seek a rest, and that he therefore had to relinquish the pastorate which he filled for the past six years. His retirement has caused general regret in the congregation.

Plans are on foot in Brantford to recruit a lacrosse team for the senior series of the O.A.L.A.

# HOOISIER

— the Kitchen Cabinet that saves miles of steps

## "I now have time for needed rest"

A HOOISIER will double your leisure time and remove much of the fatigue that follows working hours. It will turn an otherwise cheerless room into an attractive home spot. For in Hoosier kitchens utensils and supplies are centralized and in order. And when mealtime comes, you sit restfully at your work with every needed thing close at hand.

The Hoosier is the roomiest cabinet made. Hence it saves the greatest amount of work. Its scientific arrangement is a vital factor that greatly increases this saving. And its 40 exclusive conveniences and labor-saving inventions

add a completeness that has won the place of preference for the Hoosier in a million and a half homes. Conservation did not die with the signing of the armistice. It still lives—and always will. To aid you in conserving, come in and let us demonstrate how the Hoosier will make your kitchen convenient, and save time, labor and food.

All these benefits can be had at moderate cost and on easy terms. One dollar puts any Hoosier in your home. Small amounts each week soon pay the balance. But come and see the Hoosier whether you intend to buy or not.

## MANY CONFIRMED ON PALM SUNDAY

### Impressive Services at The Churches

Yesterday was Palm Sunday. The church day was fittingly observed in numerous churches in the city. The feature of the services in several churches was confirmation. Large classes of catechumens were confirmed.

**At St. Peter's.**  
Confirmation service of the German class was held at 10 a.m. The large edifice was filled to the last seat, and even the galleries being crowded to the utmost. The 81 children had attended the catechetical classes but only 54 received the rights of confirmation. The class entered the church singing "O Heavenly Father Lead us." The pastor preached a sermon from I. John 1:7 and 8. After which followed the confirmation not opened with a special song by the class "I am Thine O Lord."

The evening service was conducted in English. The pastor preached from the text I. Corinthians 9:24 and 25. Again the large edifice was filled to the last seat with worshippers. The English confirmation class entered the church singing. The English class was larger this year than ever before. At both services the adult choir rendered special music. The church was beautifully decorated with flowers, palms and ferns. It was a day of great blessings.

After the morning services the classes presented to their pastor a beautiful address and basket of roses, a bouquet of carnations and a purse. The presentation was made by Mr. Harry Manz, Miss Laura Freund and Nora Kalfelisch.

**DOMINION RAYNSTERS**

"Made-in-Canada" Raincoats

The Sunny Day Coats For Rainy Day Wear.

The chief difference between a Dominion Raynster and a made-to-measure spring overcoat is that a Dominion Raynster is absolutely waterproof.

The cloth is not "treated" or made merely "shower-proof"; it is reinforced with an inner lining of rubber, which makes the entire coat, even to the seams, waterproof.

In style and appearance, Dominion Raynsters have the effect of tailor-made spring garments; they simply give you the double service of a reliable raincoat as well as a stylish spring coat.

Made in a pleasing variety of patterns and cloths for men, women and children.

The best stores that carry clothing also carry Dominion Raynsters. Ask to see them, and look for the guarantee label of the Dominion Rubber System.
