

Metallic Ceiling

THE ILLUSTRATION SHOWS HALL IN RESIDENCE FINISHED WITH DADO, WALL PLATES, FRIEZE, CORNICE, BORDER, MOULDINGS, AND CEILING PLATES COMPLETE.

Our Metallic Ceiling and Wall Plates are made in a great variety of designs suitable for all kinds of buildings, and are light in weight, will not crack or drop off, are durable, have air-tight joints, easily applied, practically fire-proof, highly artistic, do not harbor vermin or germs of disease, and possess splendid acoustic properties.

Send for Catalogues. Quotations given in any Currency. Correspondence in any Language.
