## PIMPLES Are an "EYE SORE."

Pimples are caused by the blood being out of order. Those little festering sores appear on the forehead, on the nose, on the chin and other parts of the body, and although they are not a dangerous trouble they are very unsightly to both you and your friends.

There is only one way to get rid of them, and that is to purify the blood.

Burdock Blood Bitters is without a doubt the best remedy on the market for this purpose.

Wm. F. Donohue, Jr., Hamilton, Ont., writes:—"About six months ago my little son's face was literally covered with pimples. I tried every preparation I was told of by my friends, but to no avail. Soon I thought I could not have them fixed up, and would have to wait, and let him grow out of them, but thanks to Burdock Blood Bitters they are all gone, and I gladly recommend it to anyone."

Burdock Blood Bitters is manufactured solely by The T. Millburn Co., Limited, Toronto, Ont.
