

# Red Shirts Shutout UPEI

Last weekend the UNB Red Shirts Varsity Soccer Team played before a boisterous Varsity-Mania crowd at Chapman Field. The result was a 1-0 victory over the University of Prince Edward Island Panthers in a game dominated by the Red Shirts. This victory pushed the Red Shirts record to a perfect three wins against zero losses.

The Shirts dominated the first half of the game but found themselves frustrated by UPEI's five halfbacks who were plugging the middle. As a result the score at half-time was 0-0.

During the half Coach Gary Brown asked his team to concentrate on the far post, sending two players over to that side. In the second half the scoring opportunities opened up for the Red Shirts, culminating

in a score for Alex Scholten in the 71st minute (26th minute of second half). The goal came as a result of a short throw in from near the corner followed by a crossing pass from Jamie Pollock setting up Alex Scholten for an easy header.

Pollock, who was named CIAU Athlete-of-the-week for his efforts two weekends ago, has not managed a goal yet this season despite his excellent offensive performance. However, shortly after Scholten's goal Pollock had a clear shot at the net but the UPEI keeper came up with a big stop.

UNB's keeper, Geoff Harvey, came up with his third consecutive shutout. The Red Shirts have not allowed a goal yet this young season, although they have yet to meet the top teams. Coach Brown is concentrating more on the

defensive players this year than last and it seems to be showing dividends.

Earlier this week the Red Shirts took on UdeM at Chapman Field. Unfortunately, the results of this game did not

get in by deadline. This weekend the Shirts take on the division leading Mt. Allison Mounties today in Sackville, and then travel to St. Mary's tomorrow for a match against the fourth ranked in the nation Huskies. This

weekend will be a major test for the Red Shirts, who are ranked eight in the country.

The game against Mt. Allison is a Varsity-Mania sponsored event as Road Trip '89

## ATHLETES OF THE WEEK

Kara Keays, 20, from Sussex, N.B. has been chosen female athlete-of-the-week. The fourth year Physical Education student and captain of the field hockey Red Sticks played a strong game on the weekend as the team tied St. Mary's 0-0. Kara, an AUA all-star in 1989-90, and most recently a member of the 1989 N.B. Canada Games gold medalist team, was all over the field and distributed the play very well from the middle position. As coach Slipp put it, "Kara is continuing on with her all star season she had last year."

Rod Clarke, 21, from Fredericton, N.B. has been named male athlete-of-the-week. Over the weekend, the third year Business Administration student and member of the 1989 N.B. Canada Games for Track and Field, led the Red Harriers to its first victory in AUA league competition since 1986. He placed second in the race in a field of 25 runners, covering the 10km course in a time of 35:28 in windy conditions. According to Rick Hull, "Rod is running aggressively and beginning to fulfill the potential he first demonstrated when he began running for the Harriers in 1987."
