United States. If Professor Hellens is still at Boulder University, he is one man who was at the University of Toronto when I was an undergraduate there. He, I am sure, will be glad to meet Arthur.

I do not know whether Arthur is at the moment in Toronto or Denver. When I find out his whereabouts I shall drop him a line of congratulations. Really it is splendid, the fine beginning that both boys have made.

I am particularly pleased to know that you yourself are well and that you are again with your mother and sister and brothers in Toronto. Once the session is over, I shall look forward soon thereafter to having the pleasure of seeing you again.

Fondest love to all,

Believe me, dear May,

Very affectionately yours,

Mrs. D. Macdougall King,
